

## City Garage Issue Flares into Debate

### Threats Reported In Council Discussion; Petitions From 7000

Accusations, denials, a report of threats, estimates of a potential half-million dollar loss, legal interpretations, charges of mind, shouting and frequent audience reaction were interspersed throughout Monday night's Granite City aldermanic session.

The point of controversy—replacement of the city sanitation department with a private contractor or a 10-year lease—remained unchanged as councilmen filed but took no other action on protest petitions reported to contain over 7000 signatures.

The petitions were submitted to Acting City Clerk Robert Stevens, who said that the council rescind its May 21 action establishing a private garbage collection contract. The signers ask that city sanitation workers be restored to their jobs.

Alderman Walter Nomm moved that the petitions be placed on file, commenting that the council and not the public had the authority to decide the issue, and adding that the collection contractor has employees represented by the Teamsters' union.

The motion was seconded by Alderman Edmond Bartosch, who said the city could lose an estimated \$500,000 if it voided a contract calling for \$147,500 yearly payments to United Disposal Corp. for three years. He noted that four of the seven city sanitation trucks already have been sold and asked City Attorney John Gitchoff to present a legal opinion.

**Contract Binding**  
Gitchoff said the contract is valid and binding. While he said his best on behalf of the city if called upon to defend a lawsuit, he predicted that a suit would be inevitable if the council attempted to void the contract at this time.

Mrs. Gabrielle Bettine asked whether there was any difference in this and the council's ending of its agreement with the sanitation employees. Gitchoff replied that the council has full legal authority to enter into a contract for garbage collection by a private firm, but is prevented by law from entering into a collective bargaining with a group of city employees.

Asked by Alderman Joseph Cavar to comment further, Bettine said it is a question the city would be liable for damages against United if it rescinded the contract. "If we fought it, I would, of course, do my best to keep the city from paying," he added.

**Critical Of Procedure**  
Criticizing the manner in which the city was run, Bettine awarded the contract, Alderman Donald Partney told the council, "If I would have been in this manner they would probably throw me in jail for collusion."

Partney said he could not move to rescind the contract because he was among those who voted against it originally. If such a motion was made, the council vote will differ from the previous 12-4 action, Partney predicted.

He cited surveys showing that each employee with his purchase leads to eventual employment of 37 persons. The 19 man sanitation staff was important to the local economy, he asserted.

Citing the 7000 signatures, he urged the council review its action.

## BIRTHS

Births recorded at St. Elizabeth Hospital:

**GIRLS**

Mr. and Mrs. Donald Jones, 2205 Caville avenue, July 24, Sandra Marie, eight pounds, eight ounces.

Mr. and Mrs. Robert Miller, 2303 Cardinal drive, July 25, seven pounds, 10 ounces.

**BOYS**

Mr. and Mrs. Clay Gray, Route One, East Alton, July 25, Randy Alan, seven pounds, 14 ounces.

Mr. and Mrs. Ronald M. Gushel, 1002 Iowa street, Madison, July 25, Ronald Maxim Jr., seven pounds, 14 ounces.

Mr. and Mrs. James Dimitroff, 2548 Edison avenue, July 25, James William, seven pounds, two ounces.

## General Steel To Acquire St. Louis Industry

Acquisition of the Ludlow-Saylor Wire Cloth Co. of St. Louis will not affect operation of the General Steel Industries, Inc. plant here, a spokesman for the firm said today.

An agreement under which General Steel is to acquire the St. Louis firm was announced yesterday by Charles F. Whitehead, General Steel president.

Ludlow-Saylor manufactures industrial wire cloth and screens. Its main office is in St. Louis, with plants there and in California.

After the agreement, which has been approved by the General Steel board of directors, Ludlow-Saylor shareholders will receive two and one-half shares of General Steel common stock for each share of Ludlow-Saylor stock. There are 24,000 shares of the latter outstanding.

After completion of the transaction, Ludlow-Saylor will continue to operate under its present management as a subsidiary of General Steel Industries, Inc.

"The acquisition is a further step in our continuing program of growth through related diversification," Whitehead said in making the announcement.

## \$214,680 GC Park Budget; Up \$12,116

A \$214,680 budget for 1962-63 was adopted in its final form last night by commissioners of the Granite City park district.

The appropriation ordinance calls for \$212,116 more than the district's 1961-62 budget, which was \$202,564.

At the same time, the park board convenes a special meeting next Tuesday. The current rate for corporate and recreational purposes is 12.4 cents per \$100 assessed valuation.

Departmental budget totals for the coming year are \$28,180 for administration, up \$5109 from 1961-62; \$97,157 for maintenance, up \$15,880; \$20,330 for concession stands, up \$2300; \$20,180 for operation of the swimming pool, up \$5338; \$26,083 for neighborhood playgrounds, down \$1622; \$995 for sports camps, down \$1862; \$10,845 for Wilson Park playground, up \$189; and \$11,360 for the park community house, up \$2885.

Major budget increases in the administrative department are due to a \$1500 salary increase for the superintendent of parks, who also is recreation director; a combined increase of \$780 in the salaries of the park board secretary and treasurer, with the additional funds earmarked for secretarial assistance.

(Continued on Page 18 Col. 8.)

## Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Pauline Hanson, 2717 Harding avenue; William Lind, 2283 Delmar avenue; Eunice Bell, 2112 Missouri avenue; David Blankenship, 2112 Delmar avenue; Gregory Lux, 2576 East 27th street; Arnold Bowers, 2931 Indiana avenue; Agnes Butler, 2715 Madison avenue; Dora Fanelor, 1830 Fifth street, East Madison; and Josephine Youell, 925 Lee avenue, Madison.

## Remodeling Funds Are Added To City Budget

### \$1,720,715 Total; \$4000 Razing Sought By Library Defeated

Approving four revisions which had a net effect of adding \$5000 to the tentative 1962-63 budget, the city council of Granite City Monday night set spending for the coming year at \$1,720,715.

The council added \$5000 for remodeling the police station, created a \$3000 fund for expenses of City Attorney John Gitchoff and added \$1000 to the street department's budget for repairs fund to create office quarters for Street Supv. William Warfield.

A \$4000 fund to finance demolition of a former church building at 20th street and Cleveland blvd. was deleted from the library section of the budget.

As adopted, the budget represents a decrease of \$79,534 from the 1961-62 appropriation of \$1,800,649.

Last year's actual spending totaled \$1,936,681, including \$484,584 for sewer maintenance. The 1961-62 budget had included \$212,000 for sewer maintenance, and this item was set at \$220,000 in the new budget.

Sever breaks on lines installed by the East Side Lumber and Sanitary district were responsible for the bulk of last year's sewer costs, which helped put the city "in the red" for the first time in many years.

Receipts during the past year amounted to \$1,685,398.

**13-4 Vote**  
As amended, the budget was adopted in a 13-4 council vote, including the approving vote of Mayor Leonard R. Davis.

Alfred Estlin von Schmitt was absent. Those voting against adoption were Aldermen Donald Partney, Paul Rutledge and Arthur Wierzer.

Two other proposed amendments to the library portion of the budget were voted down.

The discussion began with Alderman Walter Nomm outlining the three proposed additions to the budget, which had been placed on first reading two weeks ago. They would leave the total at \$1,724,715.

Partney urged that the \$15,000 allocation for contingencies be cut to \$3000, leaving the budget total at \$1,714,715.

Urging that city expenses be held to a minimum, Partney said the library had just been purchased last year, supposedly for use in storing books and supplies for an extended period of time prior to eventual use of the property for other library purposes.

He opposed spending \$4000 to tear down a building described as in reasonably good condition. He also asked that purchase of a new bookmobile be delayed until a later time.

**Laughter On Fund Remark**  
On the proposed reduction of the contingency fund, Nomm commented that the \$15,000 figure is none too high. He said, "A lot of money."

The fund raising dinner is jointly sponsored by the Democratic party organizations of Madison and St. Clair counties. Local Democratic officials say the dinner will be a sellout. Tickets are priced at \$35, \$25 and \$10 and 1000 tickets are being offered.

Mayor Davis is honorary chairman of the dinner. Mrs. Dant of Madison, state central committeewoman.

Austin Lewis, candidate for probate judge, will act as master of ceremonies at the fairgrounds and the dinner in Venice.

Co-chairmen of the dinner are Arthur T. Simmons of Madison and county Democratic chairman, and Maurice Joseph St. Clair county Democratic chairman.

Ushers at the dinner will be Thomas Ferguson of Granite City and the following from Venice: Jim Foley, Jack Fields, Ian Ebersold, Peter Fields, Edith Shammah, Michael Edwards, Kenneth McMillen, Frank Bartlett, Frank Scaturro, Edith Shammah, Michael Edwards, Donald Devany, Jerry Carpenter, Jerry Baggett, Harold Keller Jr., James Kutz and John Hackney.

## Flags To Welcome Truman Here For Address Saturday

Thousands of Quad-Cityans are expected to line the route that will be taken Saturday by former President Harry S. Truman from Venice to Highland where he will speak at the Madison county fair before returning here for a major address that evening.

Officials and Democratic candidates will assemble at 1 p.m. Saturday at the McKinley bridge office in Venice to greet Truman and take part in his motorcade to the fairgrounds.

A spokesman at Independence, Mo., said that Truman, accompanied by Mrs. Bessie Truman, will arrive in Madison at 10:30 a.m. Saturday.

Truman is expected to land at the airport at 10:30 a.m. Saturday. He will be met by St. Paul, Minn., Mayor Hubert H. Humphrey, who will accompany him to the fairgrounds. The dinner meeting will begin at 7:30 p.m.

## Health, Economy Require Drainage Approval-Beatty

Passage of the sewerage drainage program bond issue set for a vote Monday and Tuesday by the Granite City Rotary club Tuesday.

At a total cost of approximately \$10,000,000, Beatty said the city can build an adequate sewage treatment plant and at the same time meet the community's drainage problems.

Speaking at a weekly lunch meeting of the club at the YMCA, Beatty said both problems—drainage and pollution abatement—must be solved before the future growth, progress and financial success of the city can be assured.

"You can't go to an industry which plans to relocate and ask them to settle here unless you have something to offer them," the former city attorney said.

Beatty was accompanied by Edward Sheppard, Sheppard, Morgan and Schwab, consulting engineering firm which has made preliminary studies of the pollution and drainage problem here, and Douglas B. Morton, sanitary engineer for the Illinois Sanitary Water Board.

Beatty said the problems of river pollution and storm water drainage are interrelated.

## Water Rate Hike Hearings Planned For Belleville

(Special From Springfield)  
Public hearings will be held on Aug. 8 and 9 in the council chamber at the city hall, Belleville, by the Illinois Commerce Commission on the application of the East St. Louis and Interurban Water Co. for a raise in water rates.

Commission Examiner Martin J. Dolan, Mount Vernon, in his opening remarks, said that the company had requested a 10 per cent increase in rates.

"I have received about 70 protests from residents of the area served by the company, and there are 30 intervenors who have filed official objections," Dolan said. "This is their opportunity to be heard."

Among the intervenors are the St. Clair County Water Users Association, the Large Water Users group and 14 cities in the high and low level areas.

**Discuss Bond Market**  
"There is no easy money market today," said Dr. John K. Langan, Chicago, a widely-known expert on corporate financing. He will discuss the market on Monday at an Illinois

## \$477,715 In Tentative School Budget

### School Ensemble Leaving Friday To Tour Mexico

Financed by a successful \$6000 fundraising campaign, a 19-day trip to Mexico City will begin Friday for 21 Coolidge Junior high school students and 18 adults.

The students are members of the school's Latin American rhythm ensemble, and the adults are parent chaperons and school staff members.

A bus has been chartered and will depart from Coolidge Junior high school at 1 p.m. Friday for the circuit drive in front of the school district's art department has prepared two large signs, one in English and one in Spanish, to decorate the bus.

Robert D. Todoroff is director of the ensemble. Other school staff members acting as chaperons are Eugene Alassi, art director for the Granite City school system; and Mrs. Marjorie Hiller, school nurse.

**Detailed Itinerary**  
A complete hour-by-hour schedule has been prepared and distributed to those making the trip. It contains complete information about what to eat and drink, customs and traditions, and even air mail rates.

Early in the morning, the bus will cross the international border and proceed to Sabalua, where the group will change to a Mexican bus.

On the way to Mexico City there will be stops at Monterrey, Saltillo, Matamoros, San Luis Potosi and San Juan del Rio.

Upon arriving in Mexico City late Sunday night, the group will be met by a Mariachi band, play local Mexican music, and be members of the American embassy staff and officials of the Mexican Department of Education.

The first performance will be at the presidential palace, where the group will be met by President and Mrs. Mateos. Other performances will be at a Mexican fair, a palace estate, the American School Foundation, the National School of Music, and the National School of Music.

Recreational trips will include shopping, strolling, and a jaunt to the archaeological museum, craft shops, Indian pyramids, the Aztec ruins, and a jaunt to the National School of Music.

## \$6,530,385 GC Total Includes Pay Raises, Two School Additions

A \$427,074 increase over the 1961-62 budget is proposed for the coming year in the Granite City school district, the school board announced Tuesday night in adopting a \$6,530,385 tentative budget.

Construction of ten new classrooms—six at Mitchell and four at Namekigi school—and provision for salary increases are the major factors in the increase.

Some of the salary levels have not yet been established. Final budget action is planned for Aug. 28.

Supt. Harold M. Kaiser said the new budget as set up would contain the same amount of fund as last year's at its present limit of \$1.75. Because of the two school additions, it is proposed that the building fund rate be increased from 20.82 cents to the limit of 25 cents.

Action on the 1962 tax levies also is scheduled for Aug. 28. Tentative budget appropriations are: educational fund, \$5,571,216; maintenance fund, \$1,000,000; building fund, \$489,850; up \$106,306; bond and interest fund, \$449,338; up \$457; transportation fund, \$71,824; up \$119; municipal retirement fund \$68,000; up \$3075; and new construction, nothing, down \$8,307.

The educational fund increase includes: administration, up \$807; up \$119; municipal retirement fund \$68,000; up \$3075; and new construction, nothing, down \$8,307.

## Renewed Efforts Expected For Creating Park At Lake

A renewed effort is expected to be made in January when the state legislature reconvenes to gain approval of funds to develop the Horseshoe Lake area into a state park.

A bill to develop the lake at a cost of \$3,500,000 was passed by the legislature on June 30, 1951, but was vetoed because of a lack of funds.

Development of the proposed 773-acre state park or a smaller area would provide a recreation facility for an estimated half million people. If fully developed it would be the state's largest park and would transform the lake from a shallow breeding ground for mosquitoes into a deepened body of water, stocked with game fish and bordered by man-made beaches.

The lake would be dredged to a depth of eight feet, as recommended by the Illinois Department of Conservation. Land would be purchased in and around the lake area.

Provision would be made for picnic areas, water skiing and other recreational facilities, sand beaches and boat docks.

**Sub-Committee At Work**  
This is one of the types of development expected to be included in a report by a subcommittee of the Southwestern Illinois Study Commission on area recreational and conservation needs. The study will be continued in a meeting to be held here Tuesday, Aug. 14.

Leonard Schwartz, chairman of the recreation and conservation committee, said the date set for completion of the report, with recommendations for improvement of facilities on a 20 to 40-year basis, is Nov. 15. Copies of the report will be sent to the Department of Conservation in Washington and the state legislature.

The study commission is a group formed of citizens from the Illinois Metropolitan Area to survey civic and related problems. The commission plans have received support of members of the Illinois legislature and Southern Illinois University.

**Cost Estimates**  
An estimate of the cost of the lake park shows an overall total of \$3,500,000, including \$1,500,000 for acquisition of the land, \$1,500,000 for dredging and \$500,000 for recreation areas.

Several times in recent years the lake bed has gone completely dry. At other times, low water level has turned the entire lake into a breeding place for insects. Some parts of the lake have been used as dumping grounds for refuse.

The area was a prime attraction at the turn of the century. There were lakeside hotels and boating was popular. At one time, a trolley ran to the lake from St. Louis.

During the 1920s, the lake was popular with fishermen and duck hunters. The lake is located at the convergence of two of the three major flyways used by Canadian geese.

**60-Year Effort**

Efforts to have the area designated a state park go back 60 years. The campaign was renewed during the 1930s. In 1937

there was an unsuccessful effort to make it a county park. A park study commission was formed in 1935 and submitted the present plan for development to the legislature in 1937.

City governments and civic organizations in a score of communities have passed resolutions favoring the plan. Last year, individuals and organizations representing thousands of people in Madison and St. Clair counties petitioned the governor, urging him to sign the bill.

State Conservation Director William T. Lodge has urged a crash program for the next 15 years to appropriate \$150,000,000 for parks and acquire at least 250,000 to 300,000 acres of land.

**Illinois Ranks Low**  
According to Lodge, Illinois has the lowest acreage per capita and state-owned land devoted to outdoor recreation of any state in the nation. He said Illinois has only 5.18 recreational acres per 1000 residents. New York, by contrast, has slightly more than 191 acres per 1000 people.

Illinois also rates poorly compared to neighboring states. Iowa has 15.20 acres, Indiana 33.83, Missouri 50.82 and Wisconsin 89.73 per 1000 people.

Illinois has only 34,500 acres in state parks and has no supplementary national parks.

**Study By State**  
According to a University of Illinois study presented last fall to the state housing board, Illinois public recreation facilities meet not more than 60% of minimum standards and less than 30% of short range standards.

Lodge said there is not a single modern campsite in the state, although he believes between 8000 and 10,000 are needed. There were 300,000 campers at state parks alone last year. He said he favors earmarked tax money to finance park development, such as a special cigarette or gasoline tax.

According to the U.S. government's Bureau of Outdoor Recreation, all outdoor facilities are badly overcrowded, with the situation becoming intensified each year.

Surveys have shown that more people have more time to devote to recreation in these days. During the 1950s, the nation's population grew 13%. During the same years, visits to national parks increased 86%, however.

**Population Pressure**  
Projections indicate that "people pressure" on recreational facilities will be at the end of the century.

While the government does have some 200,000,000 acres in national preserves, most of the land is where there are few people. About 72% of the public recreational space is in western states. Only 15% of the population lives in that area.

On the other hand, northwest states, with 15% of the population, have only 2% of the park land.

Congress has under consideration a plan to distribute \$50,000,000 in matching funds to encourage states to develop outdoor recreation.

mitted in a statement that the house was burned. Gray originally was picked up for questioning in connection with another case. He was cleared, but as a result of the investigation he was charged with the arson and with burglary of the J&E tavern here July 4.

Gray denies knowledge of the fire but gave a signed statement that he entered the tavern. He is in the county jail. His wife is free on \$3000 property bond.

The Johnsons were picked up Tuesday and held after questioning.

**Alleges Payment**  
Tedder alleges they paid the Grays \$500 to burn the house. He alleges Gray was out of court at the time and behind in his rent.

Bond was set at \$10,000 each for the Johnsons. They were held in the county jail.

**Color Change**  
Chemical action can change the color of hydrangeas flowers to blue. Aluminum sulfate is the most effective chemical for doing this, but common alum will bring about the blue color.

**Relatives Of Couple**  
They were the owners of a house at 618 Salvo street, Venice, which burned in March 1950.

Tedder said they collected \$2500 insurance. They are charged with arson to defraud.

**Hyman Gray, 35, and his wife Inez, 34, of 2540 Missouri avenue were charged July 19 with the actual burning. They are relatives of the Johnsons and were renting the house at the time.**

Deputies said Mrs. Gray admitted in a statement that she was the owner of the house.

## Two More Charged In Arson Of Home For Insurance

Two more persons have been charged with arson in the burning of a Venice home two years ago. Ballard Johnson, 35, and his wife, Azalee, 30, of 2224 Carr street, near Granite City, were charged Wednesday morning in warrants signed by Marvin Tedder, deputy state fire marshal.

They were the owners of a house at 618 Salvo street, Venice, which burned in March 1950.

Tedder said they collected \$2500 insurance. They are charged with arson to defraud.

**Relatives Of Couple**  
Hyman Gray, 35, and his wife Inez, 34, of 2540 Missouri avenue were charged July 19 with the actual burning. They are relatives of the Johnsons and were renting the house at the time.

Deputies said Mrs. Gray admitted in a statement that she was the owner of the house.

## MORE ABOUT City Garbage Issue

(Continued from Page 1)

stand. He was applauded loudly on two occasions during his remarks.

Alderman Steve Basarich criticized Parney's remarks and said that last November he was the only member of a committee, which included Alderman Parney, Arthur Weizer and Charles Meyer, to oppose elimination of sanitation jobs.

**No Assurance Of Jobs**

Weizer said the contract with United requires hiring of union employees but not necessarily the same men whose city jobs were eliminated. Mayor Leonard T. Davis said City Inspector Jack Fricke told him that they could apply to United for work.

Davis said United waited until three nights before starting its contract before advertising in a St. Louis newspaper for workers. The United office remained open after hours and on Saturdays while waiting for the sanitation men to apply for work, he recalled.

Nonn told the council that his home is being called and he is being threatened even though he said he did not play a leading role in the collection preparation. "My home was called and my life was threatened," the alderman said. Adding that he is receiving calls every half hour, he said, "I know the voice." Nonn placed the blame on the sanitation group and "featherbedding" local 525.

"The pressure isn't going to do any good," Nonn said, adding that "featherbedding is out in Granite City."

**Prepares To Clean Room**

Cries of derision arose from the standing-room-only audience when Nonn praised Mayor Davis for efforts to "put the city on a paying basis." Davis threatened to clear the meeting room and the spectators remained silent. Nonn asserted that he supports organized labor.

Attempts by Arthur Crouch, assistant business agent of Local 525 to reply to Nonn were refused by Mayor Davis.

Alderman Ruth LeMaster said that when he voted for the collection contract he had the impression that the sanitation men would be employed.

Cavar stressed that the city could not afford to risk losing \$500,000 by voting to rescind Alderman Ford Johnson said he has lots of respect for 6,000 to 7,000 petitioners, but defended his vote for the contract, saying it was his feeling at the time that was the thing to do.

**Would Change Vote**

However, if the matter came to a vote again, he would favor rescinding Johnson said.

Alderman Sam Whitmer estimated yearly waste costs of \$24,000 at \$600 or less for four men. Adding \$8800 being paid to Melvin Pashin for maintenance of the city dump, \$10,000 for gas and oil and \$10,000 for the collection contract, he said the city would save \$24,000 for purchase of five vehicles.

Whitmer contended that first-year profits could reach \$54,000 for United.

Alderman Casner Skubish said criticism as being anti-union is not deserved. A council committee included the requirement that the contractor must employ union people, he pointed out.

Expressing doubt that the full savings claimed for the contract will be realized, Alderman Paul Rutledge said, "This is going to be a very expensive proposition for the citizens."

**Says Contract Damaged**

He described the collection job as a "man killer" due to one-man operation of each truck and said a relative's 30-gallon container was covered in the first week of the new collection program. "Morally, this was the wrong thing for the city to do," Rutledge concluded.

On a roll call, the council voted 15-0 to file the petitions. Alderman Estill von Schmitten was absent.

Later in the meeting, the aldermen in a voice vote decided to file a letter from the Tri-City Trades and Labor Council to the CIO which supported the sanitation workers who had lost their jobs.

**Labor Council Lost**

The labor council contended that the city did not permit sufficient time for public reaction to a decision having such sweeping effect on the city.

Still later, at the meeting drew to a close, Rutledge urged that Crouch be given a chance to reply to Nonn.

The council voted to hear Crouch after Davis said council permission is necessary in order for members of the audience to speak during the meetings.

## 19th Street To Be A Mall, Entertainment Center 2 Days

Stars from St. Louis' Gaslight Square will appear in Granite City tomorrow and Saturday as part of entertainment sponsored by downtown merchants.

The Broadway band of Sam Gardner and Singleton Palmer will be featured in the area of 19th Street between Delmar and Edison avenues, the block being roped off for the two "Gaslight Square" days.

Palmer's band will play from 2 to 3 p.m. and from 7 to 8 p.m. Friday and Saturday. Both are groups that appear regularly in St. Louis.

**Artists, Sidewalk Cafes**

Artists from Gaslight Square will sketch portraits and caricatures of passersby. Sidewalk

cafes are being set up along the streets, and hot dogs and soft drinks will be given away.

Entertainment produced by Shirley Adams is scheduled for Friday and Saturday, 19th Street from 1 to 2 p.m. Friday, 2 to 7 p.m. Friday and 2 to 3 p.m. Saturday. Participants at various times during these three programs will include the Eagles, the Dancers, the Dancers, the "Fat Phones," Buddy Johnson and Don Metzger, songwriters.

Also featured will be strolling musicians, who will mingle with the crowd.

Sponsor of the event is the Downtown Granite City Shopping Center association.

## Strikes Wife, Displays Pistol; Given Jail Term

James Presley, 44, of 3102 West 20th street was fined a \$250 and sentenced to 30 days in the county jail by Police Magistrate Gasparovic Wednesday morning. He pleaded guilty to charges of aggravated assault, unlawful use of a deadly weapon, creating a disturbance, disorderly conduct and assault.

The charges were brought against him by his wife, Hazel, Granite City police and Dewey Williams, a neighbor.

Presley was arrested at 1:37 a.m. Wednesday after he left the Williams home in the 3000 block of West 20th street in pursuit of his wife, who had gone there to call police to report that her husband had beaten her.

He was armed with a .38-caliber revolver, police said. Presley was taken to the Granite City Jail where he was held in lieu of \$250. On the charge of aggravated assault he was sentenced to 30 days in the county jail and fined \$100. For creating a disturbance, he was fined \$50. On the weapons charge, he was sentenced to a year in jail.

Separate charges of disorderly conduct and assault brought against him by Williams resulted in two more \$50 fines.

## Boy Treated, Swallowed Poison For Insects

A small boy received stomach lavage Wednesday at St. Elizabeth hospital and three other boys were treated for lacerations and abrasions.

Timothy Isaak, 15 months, had a stomach lavage at 12:30 p.m. after he swallowed insect poison. A son of Mr. and Mrs. Max Isaak, 2614 Madison avenue, he was released.

James White, 4080 Central avenue, was treated at 10:30 a.m. for abrasions on his left arm. He was released.

Shirley Garis, 15, received a lavage at 11:15 p.m. for a laceration below the right knee, suffered when she fell while running. Later released, she is the daughter of Mrs. Irma Gais, 2637 Highway 67.

A laceration to Kimble Cochran's right foot was cleaned at 12:30 p.m. The three-year-old daughter of Mr. and Mrs. Don Cochran, Rural Route one, was sent to a physician for further treatment.

Mrs. Orpha Buha's left thumb was cleaned at 4:55 p.m. after she caught it in a car door. The wife of Charles Buha, 2172 Oak avenue, she was sent to a physician for treatment.

Papeete, the only town on the South Sea island of Tahiti, has a population of 18,000.

## School Ensemble

(Continued from Page 1)

Eugene Bryant, Beverly Byrnes, David Bourbon, Cathy Folles, Elvin Hookstra, Linda Froehling, Linda Jungels, Bill Ebrecht, John Kaiser, James Legrand, Nancy Layman, Grace McCann, Charles McMillan, Sandra Mathews, John Sabo Jr., Janis Schumacher, Sharon Strauser, Joe Wizer, Kenneth Willvott, Bill Winter and Bernie Yevin.

Four teachers and the school nurse will be among the adults accompanying the children.

Robert D. Todoroff, school music director, is in charge of the tour. Art Director Eugene Alsani will be in charge of public relations. Mrs. Hilker will keep a watchful eye on the children for possible health problems.

The parents are Albert Froehling, who will act as photographer, Mrs. Ida Legrand, Mrs. Ruth Huxel, Mr. and Mrs. George Yevin, Mr. and Mrs. Charles Jungels and Mrs. Kathryn Todoroff. Mrs. Yevin and Mrs. Jungels are teachers as well as band parents.

In addition, five children who are not members of the ensemble will accompany their parents.

## Water Rate Hike Hearings

(Continued from Page 1)

Commerce Commission hearing on the application of the East St. Louis and Interurban Water Co. for increased rates.

"This is a phenomenon of recent months, starting late in 1961, and represents outstanding events which recently occurred in the bond market," he said.

Lanum said water companies, in his opinion, are entitled to a fair water rate in view of inflation the country has been experiencing. The inflation has established the necessity for a reappraisal of the company, he said.

Lanum was retained by the company to make a study of its capital stock structure.

**Cross-Examination**

Under cross-examination by Randall Robertson, Granite City attorney for a large water users group, which is objecting to the raise in water rates, Lanum said, "I did not establish any 'fair value' rate base for the company in my study."

Lanum testified that early this year, interest rates on new issues of public utility stock

## Bakery Addition Opening Saturday

The new bakery sales department of Mrs. Seibold's Bake Shop, 2241 Madison avenue, is scheduled for a grand opening Saturday. The remainder of a \$60,000 addition is being completed to go into operation this fall.

Remodeling of the original bakery structure there is also getting underway. Charles Seibold, president of the bakery, announced this week.

The new building, about 30 by 120 feet, doubles the size of the bakery's main plant.

The firm which operates several stores in Madison county, will hold an open house for the public when all of the construction is completed.

At the grand opening here Saturday, balloons will be given children and flowers to ladies visiting the bakery, Seibold said.

went down, but since April they have increased.

The company does not plan to issue any new common stock to the public. If it is issued, it will be to the American Water Co., its parent company, he related.

ADVERTISE — IT PAYS

## Hearing On Closing Hours Change Is Scheduled

A hearing for an area tavern operator on a charge of violating closing hour regulations will be held at 9:30 a.m. tomorrow at Edwardsville before Police Magistrate William Traband.

Clarence E. Anderson Jr., 36, operator of a tavern at Stallings Park, had been arrested by Deputy William Thompson, Collinsville, early this month. The hearing tomorrow is a continuation from an earlier date.

## Nuisance Cited By Madison Council

Mayor Stephen Maeras of Madison told the city council Tuesday night that the city will wait until the end of this month before taking legal action against the owner of a vacant lot in the 1100 block of Greenwood street.

Neighbors have complained that rain becomes trapped in a low section of the lot and unpleasant odors result. They also say the place is a breeding ground for mosquitoes.

The mayor first brought the matter to the attention of the council two weeks ago. He said this week that he had written to the owner and asked him to abate the nuisance.

**Urges Plugs Saturday**

The mayor urged that residents display flags Saturday on the occasion of the visit by former President Truman. The former president and a host of Democratic dignitaries will pass through Madison Saturday afternoon on their way to the county fair. Madison avenue will be decorated, the mayor said.

The council approved appointment of Billy Joe Long, 25, of 2032 Fourth street as a civil defense auxiliary policeman. Police Chief Barney Fraundorf recommended him.

In other actions, the council approved surety bonds of \$2000 each which had been received for Fred Trebing, a special police officer serving without city pay, and Lawrence Davis sr., a special watchman without pay.

The legal department was instructed to prepare a revision of the city ordinance to coincide with the new state law that women must be 21 to be served alcoholic beverages. The age formerly was 18 for women.

## May Give Grand Jury Madison Theft Cases

Cases involving other members of two groups of Venice, West Madison and Eagle Park Acres youths who have admitted 200 Madison thefts may be turned over to the county grand jury without formal charges, Madison police said yesterday.

Evidence in both cases was presented to the state's attorney's office Monday, with continuing investigations still continuing. The six youths involved in the case from 14 to 20. Fraundorf said the younger ones probably will be referred to juvenile authorities.

An Eagle Park Acres resident, 18, and three Venice youths, 14, 15 and 17 have admitted breaking into the American Sales Co., 314 State street, July 12. A large quantity of clothing was taken.

The same Eagle Park Acres youth and three from West Madison, age 16, 17 and 20, have admitted the July 13 theft of a live 33,000-volt power cable from the Owens-Illinois paper products plant.

The four told police they worked five hours to cut down the 30-foot section of copper conduit with an insulated hacksaw. The 1 1/2-inch cable connected a plant office building to a transformer, and was strung 30 feet above the ground. The youths said they stripped the rubber insulation from the cable and then sold it to an East St. Louis junk dealer for \$16.

## Two From Here Begin Basic Navy Training

George T. Walsh, son of Mr. and Mrs. Thomas E. Walsh, 2308 O'Hare avenue, and David R. Ferguson, son of Mr. and Mrs. Carmel E. Ferguson, 2308 O'Hare avenue, are undergoing nine weeks of basic recruit training at the Naval Training Center, Great Lakes, Ill.

The indoctrination to Navy life began earlier this month. It consists of physical fitness drills, military drills, basic military law, customs and etiquette of the service, swimming and survival, first-aid and basic shipboard routine. During the training, recruits receive tests and interviews which determine future training and assignments in the Navy.

## Low Demand Cuts GC Steel Sales, Net Earnings

With the demand for steel "unusually weak during most of the second quarter," Granite City Steel Co. earned \$1,965,000, or 45 cents per share of common stock, in the three months ended last June 30.

This compared with earnings of \$2,630,000, or 60 cents a share, in the second quarter of 1961. Nicholas P. Veder, chairman of the board and president, announced Tuesday after a meeting of the company's board of directors.

The market for steel this year had been the reverse of that in 1961, when demand began to improve after a slow first quarter, Veder said.

**Inventory Factor**

This year, Granite City Steel's first quarter was fairly strong. Veder said, because many fabricators were building inventories of steel to hedge against the possibility of a steel strike.

Orders received early this year, he said, contributed heavily to the company's earnings for the first half, which amounted to \$5,233,000, or \$1.21 per share of common stock. The second quarter was the stronger factor in last year's first half, when earnings were \$4,522,000, or \$1.09 per share, based on the 4,357,813 shares of common stock now outstanding.

With the plants of many steel-using manufacturers closed for vacations during portions of the first quarter, there is no sign of an immediate pickup in the demand for steel, Veder said, and the company has no sign of a pickup in demand. It is now in line with its present level of operations by various economies wherever possible.

**Third-Quarter Prospects**

He added that prospects for later in the third quarter this year "appear to depend to a large extent on whether there is enough basic strength in the economy to overcome recent headwinds."

The directors declared a cash dividend for the third quarter, based on the results for the first quarter, of 35 cents per share of common stock outstanding, payable Sept. 15 to stockholders of record Aug. 17.

The company paid cash dividends of 35 cents per share in each of the first two quarters of 1962.

Granite City Steel had net sales of \$33,480,000 in the second quarter this year, as compared with \$41,900,000 in the first quarter and \$35,200,000 in the second quarter of 1961.

The company produced 261,000 tons of ingot steel in the second quarter, versus 279,000 tons in the first, and shipped 238,000 tons of flat rolled steel products in the second quarter versus 302,000 tons in the first.

Veder pointed out that second-quarter shipments were disproportionately high, in relation to production, because some of the tonnage was rolled from inventory produced in the first quarter.

Granite City Steel produces plates, sheets, and other flat rolled steel products, including galvanized and tin plate.

## No Home Solicitation For Newspaper Ads

Two unidentified men claiming to represent the Press-Record solicited advertising from a Madison home owner last week in what appears to be an attempted fraud, it was learned Tuesday.

The two, driving a two-tone and a light wagon, asked if they might advertise the home, which is for sale. The owner said the home has not been listed, and only a few persons had word of mouth knowledge that it is for sale.

The pair said they would return Tuesday, but failed to do so. The home owner said an accurate description is impossible because it was dark, but one was a large man and his companion was much shorter.

The Press-Record has no advertising representatives who solicit house to house, and anyone posing as such is misrepresenting. Madison police have been notified of the incident.

## Wedding Invitations

Your biggest moment . . .

Be sure the invitations for your wedding let your friends know your wedding is truly "Something Special."

Tri-City Printing Co. has the most complete selection of fine wedding invitations, printed or embossed, from which you may make a choice. And we see that the same care and pride go into their printing that went into their selection.

If your "big moment" is coming, be sure your invitations are proper and beautifully reproduced. Call TR 6-5072 to see our fine collection.

## New Tri-City Grocery Truck Cooling System

A newly-introduced method of truck refrigeration said to provide lower temperatures and greater reliability than previous systems has been obtained by Tri-City Grocery Co. A Granite City firm operating 23 stores in Illinois and Missouri.

Richard Roderick, purchasing agent, announced today that the system, called Sure Cold, had been obtained from the Cardon Division of Chemtron Corp. Roderick said that it will refrigerate a trailer used to haul frozen food.

The system employs liquid carbon dioxide as cooling agent. Lack of moving parts greatly reduces the chance of breakdown. Use of liquid carbon dioxide as a non-mechanical way of refrigeration is based on the ability of the liquid to absorb a large amount of heat as it expands into a gas. It permits more rapid temperature pull-down than has been possible.

Tanks, each with a capacity of 500 pounds of liquid, are enclosed in insulated pool along underneath the trailer. The tanks are filled from a large amount of heat as it expands into a gas. It permits more rapid temperature pull-down than has been possible.

The control circuit permits temperatures inside the trailer to be automatically maintained as low as 30 degrees below zero F., Roderick added.

## Mrs. Lydia Jedlicka Succumbs At Age 92

Mrs. Lydia Katherine Jedlicka, 92, of 321 North Clinton, Collinsville, died at 8 a.m. yesterday at an Alton hospital, where she had been a patient seven months.

A resident of Glen Carbon for many years, Mrs. Jedlicka had made her home in Collinsville. She is the mother of Mrs. Irene Paulett of Granite City.

Mrs. Jedlicka, who was born in Metropolis, was the widow of Benjamin Jedlicka. He preceded her in death in 1928. One son and one daughter also preceded her in death.

Surviving, in addition to her daughter, is a brother, Arthur Paulett, Granite City; a sister, Mrs. Emelia Dettmer, Edwardsville; nine grandchildren, 19 great-grandchildren and three great-great-grandchildren.

Funeral arrangements are given in the obituary column.

## Plant Begins Changeover

The A. O. Smith Corp. plant this week began its annual changeover to produce new model automobile frames. The change to 1963 model Chevrolet and Corvair frames is due to be completed Aug. 20 or Aug. 21, when the plant will resume production. About 800 plant employees will be laid off; 250 maintenance workers are engaged in setting up the plant for the new production.

## Collision At Corner

Mrs. Marie H. Stieh, 1961 Adams street, was involved in an accident at 5:50 p.m. Monday while driving west on 20th street and attempting to turn left onto Adams. Her auto collided with the left front of another driven by Floyd E. Hatcher, 2579 Iowa street, which was stopped on Adams at the intersection, police said.

## New C. of C. Members At Orientation Meet

New members of the Tri-Cities Chamber of Commerce heard an outline of the organization's history, program and objectives and other functions at an orientation meeting yesterday in the Chamber office.

Paul H. Lichtenberger, president, told the new members current C. of C. objectives include an adequate drainage-pollution program, county zoning, a riverfront highway, industrial development of the community and a Horseshoe Lake state park.

He pointed out the Chamber has been successful in such goals in the past, noting that the organization was instrumental in bringing the A. O. Smith Corp. and RC Cola Co. plants to Granite City. In presenting the Chamber's history, he said the Community Chest and United Fund here were organized with the help of the group, which always was active in school educational plans.

M. Freeman Wolfe, vice-president, told the new members the Chamber's 68-point program is carried out by 26 active standing committees, composed of 274 members.

## 23rd Street Accident

A traffic accident occurred at 6:10 p.m. Monday between two autos traveling east on 23rd street near Delmar avenue. Leonard E. Bleker, 2144 Adams street was making a left turn into a driveway when his auto was damaged in the rear. The other car, driven by Verlyn J. Lewis, 703 North 26th street.

GRANITE CITY, ILLINOIS

**DEAD HEAT.** Park District baserunner Art Borchers and softball appear to be arriving at home plate simultaneously last night in second game of exhibition doubleheader with Van Horn's of Cerro Gordo, but Borchers beat throw and scored winning run in eighth inning of second game. Van Horn's catcher is Charley Hall. Borchers scored from second on Conrad Champion's single in eighth inning as park club swept twin-bill, 1-0 and 4-3.

## Park 9 Neals .500 Level After Sweeping 2 Games From Van Horn's

It has been a long hard struggle, but Granite City's park district Class AA softball club now has a good chance to boast of a winning record by the time this team enters the Illinois regional ASA playoffs in Wood River later this month.

Playing 8-4 softball over the past 2½ weeks, the park club swept to 1-0 and 4-3 victories over visiting Van Horn's of Cerro Gordo last night at Wilson Park, raising its season record to 21 wins against 2 losses.

A good showing in Saturday and Sunday doubleheaders here with Barnes Store of Springfield, Mo., and the park club can cross over to the right side of the softball ledger for the first time since May 23, when it stood at 2-1. The team then went into a tailspin, losing seven straight, and had not been close to an even break since until last night.

Grote Has Key Hit

Norm Grote and Carroll Glisson took turn about in hitting four-hitters at the Cerro Gordo visitors, and some timely hitting by Shortstop Rich Williams played a big role in both wins.

Grote won his own game in the second inning of the first contest, singling in the only run. Jake Hinterser had walked and moved to third on the first of five hits by Williams.

Williams had a triple in the fourth and sixth inning single, but they were wasted along with two straight hits by Art Borchers, as the Park could not master anything in the way of help to go with them.

Grote was in trouble only once when Mel Schultz led off the Cerro Gordo fifth with a single and advanced as far as third before the side was retired. Grote fanned only one, but walked nobody. The Park had six hits off loser Jim McMahon.

Williams Plated Two

Williams got Granite City out in front in the fourth inning of the second game when he drove in two runs with a smash off Shortstop Dick Marner's glove.

The hit scored Conrad Champion and Marv Brinkman, both of whom had been hit with pitched balls by loser Mel Schultz and had advanced on Jake Hinterser's infield out.

Van Horn's had taken advantage of a hit batsman to score once in the third with the help of a walk and Jack Mintun's RBI single. The visitors tied it at 2-2 in the fifth when Catcher Jim Bain threw the ball into left field in an effort to pick off Harold Martin at third base.

Following scoreless sixth and seventh innings, Cerro Gordo again jumped ahead, with a single run in the eighth on Mintun's second hit, a sacrifice and Schultz's two out single to left.

Two Wild Pitches

But Ron Dillard, batting for Van Horn's, bounced a single over third to start the Park eighth.

Norm Jenkins, after an unsuccessful attempt to sacrifice, bounced a single over third to start the Park eighth.

But Ron Dillard, batting for Van Horn's, bounced a single over third to start the Park eighth.

Norm Jenkins, after an unsuccessful attempt to sacrifice, bounced a single over third to start the Park eighth.

But Ron Dillard, batting for Van Horn's, bounced a single over third to start the Park eighth.

**Infant Son Stillborn To Mr. and Mrs. Earl Warren**

An infant son was stillborn to Mr. and Mrs. Earl Warren, 1303 Oriole street, Venice, at 3:55 p.m. Tuesday at St. Elizabeth Hospital.

In addition to the parents, the baby is survived by two sisters, Kathy and Patricia; his maternal grandparents, Mr. and Mrs. Deane White of Freeport, Texas; and his paternal grandmother, Mrs. Ester Warren of Mill-creek, Mo.

An obituary notice appears elsewhere in this issue.

First helmets were used by Ethiopian soldiers, who placed the skulls of horses on their heads.

## Rome & Roy, Spengler Win; Classic Race Remains Tight

Spengler Insurance held onto its slim, half-game lead over Rome & Roy's in the Classic Softball league Tuesday night by downing Moose Club 7-2. Rome & Roy's, which played one less game than the Insurance-men, had to go 10 innings in the second contest to edge Madison Bowling Club 5-4.

Granite City Steel Credit Union, the third club which still has a good shot at the league title, gets a chance to close to within half a game of the leaders tonight when it meets Busy Bee Truck Stop at 7 o'clock in Wilson Park. Madison Bowling Club and the Graniteries are scheduled at 8:15 p.m.

Spengler, now 8-2, pecked away at Bill Pavier for 10 of his 11 hits and all seven runs in the first five innings. Don Crabtree, Dick Portell, Jack Scarborough, Bob Jones, Gene Grace and winning pitcher Leo Six each contributed RBI hits and Crabtree had a single, double and triple in four trips.

Moose Club, virtually out of the race after suffering its third straight loss, secured twice in the third on the first of three hits by Adrian Rains, a fielder's choice, stolen base and wild pitch by Six. The team capped the scoring with single runs in the fourth and seventh. Six allowed six hits.

Upset in Making  
Madison Bowling Club had an upset in the making after five innings of the second game. Eventual losing pitcher Jerry Voloski had a no-hitter at that point, and MBC enjoyed a 4-0 lead after Bob Kraus struck out an inside-the-park homer in the top of the sixth.

Kraus had scored MBC's third run in the fourth inning on a weird play when Jim Sherrills fanned with Kraus at third. Sherrills had to throw out Kraus at first when the catcher dropped the ball, and Kraus scooted across the plate.

Rome & Roy's finally got to Voloski for four runs in the sixth on a walk and singles by Rich Patterson, Frank Spohr, Wimp Wilson and Bill Seago.

The seventh, eighth and ninth innings were scoreless, but when Voloski fielded Patterson's grounder and threw badly past first in the bottom of the 10th, it set the stage for Spohr's game-winning single, which scored Patterson from third.

'BREAK FALL' PRACTICE occupies girls from eight to 13 years of age who are enrolled in a beginner judo class of the YMCA. The girls are learning how to absorb shock when thrown to the mat, thus avoiding injury. Instructor is Sam Fazio.

## Aim Is Better Attendance Speedway Switches Stock, Modified Racing Program To Saturday Nights

Garlan Farless, owner of the Tri-City Speedway, said today that stock car race dates at the track have been changed from Tuesday to Saturday nights, effective this week.

Farless will also promote racing at the local track, which opened here last year. A contract between Shaheen & Webb of Springfield and Tri-City Speedway, Inc. was dissolved by mutual agreement this week.

Joe Shaheen of the Springfield organization, promoters of the Tuesday night racing card, said he was unable to promote Saturday night racing at Tri-City due to previous commitments the same night at an Alton track.

There were no hard feelings between us, Farless said. "It's just that Joe couldn't break his Alton contract, which he has had for eight years, and we feel we can attract larger crowds on Saturday nights."

About 2300 persons were on hand two weeks ago for a 150-lap national championship race, the biggest event staged at the speedway this season. Farless said the speedway will seat 3000 spectators.

The owner added that he will guarantee a \$1000 purse against the Tri-City Speedway, said today that stock car race dates at the track have been changed from Tuesday to Saturday nights, effective this week.

Farless will also promote racing at the local track, which opened here last year. A contract between Shaheen & Webb of Springfield and Tri-City Speedway, Inc. was dissolved by mutual agreement this week.

## The Downstate Fisherman

By PETE BROWN  
Southern Illinois fishing remained in the doldrums during July's second week without the slightest evidence of improvement for bass fanciers.

Little Grassy Lake's bass report was almost non-existent and only Adolph Kopp of Steelville, a hard worker, came out with anything fish-worthy. It was a five and three-quarter pounder, caught on a Hook.

Little Grassy crappie catches are up some: Henry Cade of Carbondale took 60; Greg Fenton, took 28; Ray Cabello of Collinsville strung up 68 and D. R. Ripney of East St. Louis tugged a good vein for 117. Fly rod fisherman A. Stence of Bell

most scored for 75 bluegill and a two pound bass. Carbondale's persevering Nick Masters picked up nine bass at Crab Orchard, none of them more than two pounds, but nobody else has fared as well.

Perhaps the real meat at Crab Orchard now is channel catfish. Ramsey Russell of Marion is one who goes after the sporty (fork-tail) quite regularly and he says this summer has been his best yet. Most of the harvest is securing to trotliners, but a few channel cat catches have been reported on the river and around the bridge piers at Cairo.

Horseshoe Lake is in its first real slump of the season. Crappie and bluegill fishermen are coming in empty-handed although Cape Girardeau's Harry Schmitz hit for four bass totaling 16 pounds. Some fair channel cat catches have been reported on the river and around the bridge piers at Cairo.

The bluegill catch has dropped both in quantity and individual size at Devil's Kitchen Lake. Spooky bass catches continue in the one and one-half to two pound range.

Clear and Sexton Creeks along the Union County Refuge are low for casual fishing but scouts say isolated deeper holes are yielding some fair crappie catches.

Albert Zimmer of Witt tied into a 12 pound channel cat during a Wednesday morning pin session at Big Top Bowl. Other high scores were Sharon Koch 161 and Mrs. Naomi Thomas 131.

Albert Zimmer of Witt tied into a 12 pound channel cat during a Wednesday morning pin session at Big Top Bowl. Other high scores were Sharon Koch 161 and Mrs. Naomi Thomas 131.

## Supply Purchases For Next School Year Are Approved

Purchase of over \$100,000 in industrial arts supplies and over \$4000 in physical education supplies was approved by the Granite City board of education Tuesday evening.

In other action, approval was given for electrical and floor tiling work at several schools in the district. The board opened 16 new bids and acted on four of them; awarded seven others; and authorized non-bid purchase of mimeograph equipment and ink, order forms and science supplies.

A bill list including \$42,806 educational fund payments, \$2099 from the building fund and \$114,166 from the bond and interest fund, was approved.

Bids were awarded for cabinets, septic tank cleaning, industrial arts equipment, industrial education supplies, radio and television tubes, physical education supplies and printing work.

### Single Bids

In three cases — electrical work, tiling and candy purchase for the high school — only one bid was received.

In all three instances, board members, reluctant to open low bids, considered reasons for the light response to bid requests. Possible bidders had been given ample time to reply if they wished to, Supt. Harold M. Kaiser and Administrative Assistant Victor Anderson said.

Engineer Marvin Dean told the group he had an estimate of what the electrical work should cost, and pointed out that it must be done before school starts. Involved are lighting facilities, installation of electrical outlets, wiring of a room for electric typewriters and replacement of two central power units at CHS. The board moved to open the single bid.

Possibility of postponing floor tiling until the Christmas vacation or until next June was considered. The board noted that Dean had a cost estimate and that the bid could be rejected if necessary.

On a motion by Secretary George Stidham, seconded by Ralph Buske, voting to open the bid were Members Monroe Worthen, Daniel Lindner, President Robert Spengler, Stidham and Buske. Ralph Fricker dissented, pointing out that a rejected lone bid could be publicized; this would be unfair to the bidder on a second call for bids, he said.

Involved is work at the Logan school annex and at Stalings, Webster, Washington and Nameoki schools.

Eight bidders had been notified 22 days ago on the candy bids. Anderson told the board, Worthen pointed out that the bid need not be let immediately.

The M and M Vending Co. bid could be compared with last year's bid from the same company, the low-bidder, members concluded. Voting to open, on a

motion by Buske, seconded by Stidham, were Worthen, Lindner, Spengler, Buske and Stidham. Fricker voted "no."

Action on awarding the bid was continued to the next meeting.

Candy vending machines are located in the high school, and proceeds are placed in the cafeteria fund.

Later in the meeting the \$2736 bid on tiling work, from Belle More Tile and Carpet Co., was accepted. It compares with the \$2720 cost estimate prepared by Dean.

On the electrical work, a lone bid of \$2090 by Rite Electric Co. compared with Dean's \$2355 estimate. Dean attributed the difference to the fact that he originally thought an \$800 power-panel replacement included two panels; it was for replacement of only one panel, he added. The board accepted the Rite bid.

**School Plumbing Work**

A \$1998 low bid for plumbing work from Town and Country Plumbing and Heating Co. was accepted. The only other bid, on an "all or nothing" basis, was \$7233 from Markuly Plumbing and Heating Co. Since the Town and Country bid did not include installation of two outside water fountains at Niedringhaus school, and Markuly listed \$800 for the fountains, the fountain item was dropped.

Involved is plumbing work at Coolidge, the high school, Central, Logan, Marshall, Stallings, Webster and Nameoki schools.

Bids of \$895 from Fremont Construction Co. and \$910 from Elmer Neumann, general building contractor, were received for relocation of a partition involved in enlarging the GCHS cafeteria. The \$910 Neumann bid was accepted; neither firm had worked for the district before, it was noted.

Other new bids opened were for bakery goods, canned goods, crackers, dishwashing materials, laundry cream, laundry service, milk, paper goods, liquefied petroleum, potato chips and science supplies.

Industrial Arts Supplies. Purchase of \$10,646 of industrial arts supplies was approved. In the majority of cases awarding was on the basis of low bid, item-by-item. The complete steel order was awarded to one company on a low bid "all or nothing" basis. A lone paint bid was placed with a local store which has been consistently low bidder in the past. An Ohio company was awarded an order for special supplies, also on an only-bid basis.

The purchases include the major portion of the district's \$16,170 industrial arts supplies budget for the next school year, Supt. Harold M. Kaiser noted.

Vendors and the total purchase from each: Air Products, \$241; Beck and Corbett \$710; Bona Venturi Supply \$31; Brodhead Garrett Co. \$341; Budnick Tool Co. \$571; V. F. Christianson

Hardwood \$317; Cope Plastics \$137; Craftman Supply \$435; Brown Supply \$559; Disco Electric \$61; Gaines Lumber Co. \$330; Gordon's Plastics \$21; Harry's Paint Store \$31; Hill Equipment Co. \$1323; Interstate Industrial \$318; Lincoln Electric \$167; Midwest Supply \$93; Frank Paxton Lumber \$93; Production Tool \$225; Geo. A. Rubezmann \$432; Rubenstein Lumber \$458; Ruckert Co. \$64; Silgo, Inc. \$504; Sears, Roebuck Co. \$25; Stanley Industrial \$34; Steele and Hubbard \$811; Tandy Leather Co. \$167; Van Sickle Radio \$87; Walter Ashe Radio \$54; and Welder and Industrial \$189.

Expenditures of \$4828 for physical education — \$2739 for supplies and \$2089 for equipment — was approved. Items are low bid to specifications except in two cases of apparently inferior construction and one case which would have involved a single small purchase from one company.

Vendors are Van Sickle Radio \$105; Porter Athletic Equipment \$726; Economy Sporting \$648; Graham's Book Store \$134; Stackhouse Athletic Equipment \$184; Ball Boy \$202; Salsich Recreation \$683; Black's Sporting \$298; Tower Associates \$166; Wallace Shop \$82; Gymnastic Supply \$68; and Markwort Sporting \$371.

**Equipment Addition**

Industrial arts equipment expenditures of \$1546 were approved. The equipment will be used in an addition to Coolidge junior high school. Bids were awarded on a low item-by-item basis to McDonald Machinery \$225; Silgo \$72 and Brodhead Garrett \$1148.

A \$1275 bid for cabinets in the GCHS clothing laboratory was accepted. Units to be purchased are part of a reconditioning project started last year. Glen Alsbaugh Co. low bidder on last year's purchase, was lone bidder and Dr. Kaiser noted.

Authorization of \$307 spending for a year's supply—120 tubes of mimeograph ink, to be purchased from A. B. Dick Co. was given.

Expenditure of up to \$123 for 3000 purchase order forms from Best Business Forms was authorized.

The bid showed a \$105 deduction over last year's bid from the same company.

Purchase of \$288 worth of tubes from the Rad-Tel Tube Co. was authorized. Bids on the same items from six other firms ranged from \$425 to \$528.

The tubes are to be used in the high school radio-television shop. A single bid on septic tank cleaning from Mullen's Septic Tank and Sewer Service at \$17 per load and \$8 per half-load was accepted after members noted that it is identical to Mullen's low-bid 1961 quotation.

**Special Purchases**

Special non-bid purchases were approved in four instances.

Expenditure of \$889 for science supply materials for senior and junior high schools was authorized, including items as biological specimens, test materials and various runs available from only one source or where specific quality is important.

Science Laboratory Co. \$13; Denver Geppert Co. \$19; Duff Laboratories \$129; Educational Testing Service \$20; and General Biological Supply House \$55.

Purchase of 2000 copies of a 98-page student handbook from Tri-City Printing Co. at \$46 was approved. Money for the project was raised by the Cowdridge junior high school student council, which directed district expenditure is involved.

Approval was given for special purchase of an A. B. Dick mimeograph machine for Central school. The price is \$323, including a \$10 courtesy allowance on the present machine, which is at least 33 years old, it was noted.

Authorization of \$307 spending for a year's supply—120 tubes of mimeograph ink, to be purchased from A. B. Dick Co. was given.

Expenditure of up to \$123 for 3000 purchase order forms from Best Business Forms was authorized.

## Improvement Of W. Pontoon Road Authorized By Council

Allocation of \$75,000 for improvement of West Pontoon road between the western city limits and the railroad crossing near Nameoki road was approved by the city council Monday night.

The amount represents a reduction from a previous estimate of \$80,000, which included work on the crossing itself.

The crossing phase of the project has since been lumped together with proposed improvement of the intersection of Pontoon road and Nameoki road, Alderman Charles Meyer said in reporting on a conference with state highway officials.

**Added To Basic Project**

The intersection project is a part of the basic widening program on Nameoki road extending from Madison avenue to Pontoon road.

Widening of the area of Nameoki road south of Madison avenue also is in the planning stage, but is not a part of the current project, which City Engineer W. A. Pearson said still may be carried out this year.

Meyer reported that in adopting Monday's resolution setting up \$75,000 for West Pontoon road, the council was obtaining its inclusion with the Pontoon-Nameoki intersection work and the Nameoki road widening from Madison avenue to Pontoon. All will be a part of the same bid specifications, he explained.

The vote was 13-3, including Mayor Lewis' favorable vote. Alderman Estill Von Schmitt was absent. Those opposed were Alderman Walter Norin, Sam Whitmer and Edmond Bartoski.

**Says New Street In Jeopardy**

Norin contended that the vote would jeopardize a half-million

to three-quarter-million-dollar project for the city.

He said City Judge Fred Schuman has been working for some time on a street project for which substantial state funds would be allocated. It involves an intersection near the railroad crossing and Nameoki and Pontoon roads, Norin said.

Saying that extensive efforts are being made at Springfield to obtain approval for the project, Norin argued that the council's action would interfere with this. He gave no further details.

City Attorney John Gitchoff said he is familiar with the proposed creation of a new street northward from Fehling road, but added that the state would prefer it to join Nameoki further south than at Pontoon, due to the lack of sufficient room adjacent to the railroad tracks.

**Announcing Birth Of Daughter**

Mr. and Mrs. Phillip Boronitz, 3000 Edgewood avenue, are announcing the birth of their first child, a daughter, Wednesday, at St. Mary's Hospital, East St. Louis. The baby weighed seven pounds and will be called Tracy Rene.

Mrs. Boronitz is the former Joann Gerbie, a daughter of Mrs. Joseph Gerbie, 1102 Niedringhaus avenue.

## GC Tax Collections Near \$2,500,000

Granite Cityans have paid \$2,473,115 toward their \$3,967,041 property tax bill, as of yesterday. Collector Frank Sappington said today.

This week's totals were: Monday \$31,635; Tuesday \$84,009; and Wednesday, \$164,514.

**State Charter For Amateur Radio Club**

A charter has been issued by the Illinois secretary of state's office to the Tri-City Amateur Radio club as a non-profit corporation at 2913 Dale avenue.

Listed as officers of the new organization are Al Johnson, 2913 Dale, Marvin L. McGee, 2920 Dale, and Floyd Converse. The corporation was chartered to engage in communications and correspondence.

For new coats: suits or "vents" are always cut in the top crust of a fruit pie to allow the steam that forms during baking to escape.

## Granite City PRESS-RECORD

Thurs., July 26, 1962

## Parked Autos Damaged In Chain-Reaction Crash

Two autos parked in the 1100 block of Madison avenue in Madison were damaged in a chain-reaction crash at 11:15 p.m. yesterday when the first was struck by a Granite City Engineer Department soldier's vehicle.

Staff Sgt. Horace McIntosh, 28, told police he had pulled into the curb to ask directions when his foot slipped from the brake and his southbound car plunged forward. It struck the rear of the car of James Wolf, 1119 Madison avenue, knocking it into the rear of the auto of Leon Stout, 1113 Madison avenue.

The Wolf car was damaged at the front and rear and had to be towed to a garage. The rear of Stout's auto also was damaged, while McIntosh reported no damage to his machine.

## across the centuries

*the Sermon on the Mount comes to you  
more meaningful and important,  
more urgent than ever*

SEEING the crowds, he went up on the mountain, and when he sat down his disciples came to him. And he opened his mouth and taught them, saying:

"Blessed are the poor in spirit, for theirs is the kingdom of heaven.

"Blessed are those who mourn, for they shall be comforted.

"Blessed are the meek, for they shall inherit the earth.

"Blessed are those who hunger and thirst for righteousness, for they shall be satisfied.

"Blessed are the merciful, for they shall obtain mercy.

"Blessed are the pure in heart, for they shall see God.

"Blessed are the peacemakers, for they shall be called sons of God.

"Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven.

"Blessed are you when men revile you and persecute you and utter all kinds of evil against you falsely on my account. Rejoice and be glad, for your reward is great in heaven, for so men persecuted the prophets who were before you.

"You are the salt of the earth; but if salt has lost its taste, how can its saltiness be restored? It is no longer good for anything except to be thrown out and trodden under foot by men.

"You are the light of the world. A city set on a hill cannot be hid. Nor do men light a lamp and put it under a bushel, but on a stand, and it gives light to all in the house. Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven.

"Think not that I have come to abolish the law and the prophets; I have come not to abolish them but to fulfill them. For truly, I say to you, till heaven and earth pass away, not an iota, not a dot, will pass from the law until all is accomplished. Whoever then relaxes one of the least of these commandments and teaches men so, shall be called least in the kingdom of heaven; but he who does them and teaches them shall be called great in the kingdom of heaven. For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the kingdom of heaven.

"You have heard that it was said to the men of old, 'You shall not kill; and whoever kills shall be liable to judgment.' But I say to you that every one who is angry with his brother shall be liable to judgment, whoever insults his brother shall be liable to the council, and whoever says, 'You fool!' shall be liable to the hell of fire. So if you are offering your gift at the altar, and there remember that your brother has something against you, leave your gift there before the altar and go; first be reconciled to your brother, and then come and offer your gift. Make friends quickly with your accuser, while you are going with him to court, lest your accuser hand you over to the judge, and the judge to the guard, and you be put in prison; truly, I say to you, you will never get out till you have paid the last penny.

"You have heard that it was said, 'You shall not commit adultery.' But I say to you that every one who looks at a woman lustfully has already committed adultery with her in his heart. If your right eye causes you to sin, pluck it out and throw it away; it is better that you lose one of your members than that your whole body go into hell.

"It was also said, 'Whoever divorces his wife, let him give her a certificate of divorce.' But I say to you that every one who divorces his wife, except on the ground of unchastity, makes her an adulteress; and whoever marries a divorced woman commits adultery.

"Again you have heard that it was said to the men of old, 'You shall not swear falsely, but shall perform to the Lord what you have sworn.' But I say to you, Do not swear at all, either by heaven, or by the throne of God, or by the earth, for it is his footstool, or by Jerusalem, for it is the city of the great King. And do not swear by your head, for you cannot make one hair white or black. Let what you say be simply 'Yes' or 'No'; anything more than this comes from evil.

"You have heard that it was said, 'An eye for an eye and a tooth for a tooth.' But I say to you, Do not resist one who is evil. But if any one strikes you on the right cheek, turn to him the other also; and if any one would sue you and take your coat, let him have your cloak as well; and if any one forces you to go one mile, go with him two miles. Give to him who begs from you, and do not refuse him who would borrow from you.

"You have heard that it was said, 'You shall love your neighbor and hate your enemy.' But I say to you, Love your enemies and pray for those who persecute you, so that you may be sons of your Father who is in heaven; for he makes his sun rise on the evil and on the good, and sends rain on the just and on the unjust. For if you love those who love you, what reward have you? Do not even the tax collectors do the same? And if you salute only your brethren, what more are you doing than others? Do not even the Gentiles do the same? You, therefore, must be perfect, as your heavenly Father is perfect.

"You shall love your neighbor and hate your enemy." But I say to you, Love your enemies and pray for those who persecute you, so that you may be sons of your Father who is in heaven; for he makes his sun rise on the evil and on the good, and sends rain on the just and on the unjust. For if you love those who love you, what reward have you? Do not even the tax collectors do the same? And if you salute only your brethren, what more are you doing than others? Do not even the Gentiles do the same? You, therefore, must be perfect, as your heavenly Father is perfect.

"Beware of practicing your piety before men in order to be seen by them; for then you will have no reward from your Father who is in heaven.

"Thus, when you give alms, sound no trumpet before you, as the hypocrites do in the synagogues and in the streets, that they may be praised by men. Truly, I say to you, they have their reward. But when you give alms, do not let your left hand know what your right hand is doing, so that your alms may be in secret; and your Father who sees in secret will reward you.

"And when you pray, you must not be like the hypocrites; for they love to stand and pray in the synagogues and at the street corners, that they may be seen by men. Truly, I say to you, they have their reward. But when you pray, go into your room and shut the door and pray to your Father who is in secret; and your Father who sees in secret will reward you.

"And in praying do not heap up empty phrases as the Gentiles do; for they think that they will be heard for their many words. Do not be like them; for your Father knows what you need before you ask him. Pray then like this:

*'Our Father who art in heaven,  
Hallowed be thy name.  
Thy kingdom come,  
Thy will be done,*

*On earth as it is in heaven.  
Give us this day our daily bread;  
And forgive us our debts,*

*As we also have forgiven our debtors;  
And lead us not into temptation,  
But deliver us from evil.'*

For if you forgive men their trespasses, your heavenly Father also will forgive you; but if you do not forgive men their trespasses, neither will your Father forgive your trespasses.

"And when you fast, do not look dismal, like the hypocrites, for they disfigure their faces that their fasting may be seen by men. Truly, I say to you, they have their reward. But when you fast, anoint your head and wash your face, that your fasting may not be seen by men but by your Father who is in secret; and your Father who sees in secret will reward you.

"Do not lay up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust consumes and where thieves do not break in and steal; for where your treasure is, there will your heart be also.

"The eye is the lamp of the body. So, if your eye is sound, your whole body will be full of light; but if your eye is not sound, your whole body will be full of darkness. If then the light in you is darkness, how great is the darkness!

"No one can serve two masters; for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and mammon.

"Therefore I tell you, do not be anxious about your life, what you shall eat or what you shall drink, nor about your body, what you shall put on. Is not life more than food, and the body more than clothing? Look at the birds of the air: they neither sow nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not of more value than they? And which of you by being anxious can add one cubit to his span of life? And why be anxious about clothing? Consider the lilies of the field, how they grow; they neither toil nor spin; yet I tell you, even Solomon in all his glory was not arrayed like one of these. But if God so clothes the grass of the field, which today is alive and tomorrow is thrown into the oven, will he not much more clothe you, O men of little faith? Therefore do not be anxious, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the Gentiles seek all these things; and your heavenly Father knows that you need them all. But seek first his kingdom and his righteousness, and all these things shall be yours as well.

"Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself. Let the day's own trouble be sufficient for the day.

"Judge not, that you be not judged. For with the judgment you pronounce you will be judged, and the measure you give will be the measure you get. Why do you see the speck that is in your brother's eye, but do not notice the log that is in your own eye? Or how can you say to your brother, 'Let me take the speck out of your eye,' when there is the log in your own eye? You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye.

"Do not give dogs what is holy; and do not throw your pearls before swine, lest they trample them underfoot and turn to attack you.

"Ask, and it will be given you; seek, and you will find; knock, and it will be opened to you. For every one who asks receives, and he who seeks finds, and to him who knocks it will be opened. Or what man of you, if his son asks him for a loaf, will give him a stone? Or if he asks for a fish, will give him a serpent?

If you then, who are evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask him? So whatever you wish that men would do to you, do so to them; for this is the law and the prophets.

"Enter by the narrow gate; for the gate is wide and the way is easy, that leads to destruction, and those who enter by it are many. For the gate is narrow and the way is hard that leads to life, and those who find it are few.

"Beware of false prophets, who come to you in sheep's clothing but inwardly are ravenous wolves. You will know them by their fruits. Are grapes gathered from thorns, or figs from thistles? So, every sound tree bears good fruit, but the bad tree bears evil fruit. A sound tree cannot bear evil fruit, nor can a bad tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Thus you will know them by their fruits.

"Not every one who says to me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of my Father who is in heaven. On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name? And then will I declare to them, 'I never knew you; depart from me, you evil-doers.'

"Every one then who hears these words of mine and does them will be like a wise man who built his house upon the rock; and the rains fell, and the floods came, and the winds blew and beat upon that house, but it did not fall, because it had been founded on the rock. And every one who hears these words of mine and does not do them will be like a foolish man who built his house upon the sand; and the rains fell, and the floods came, and the winds blew and beat against that house, and it fell; and great was the fall of it."

And when Jesus finished these sayings, the crowds were astonished at his teaching, for he taught them as one who had authority, and not as their scribes.

This special newspaper page is the project of a group of people who believe that the Sermon on the Mount is a message of profound importance to everyone, everywhere, today. That conviction is supported throughout the world by men and women of very different faiths and backgrounds, distinguished in science and industry, politics, education, and every walk of life.

Certainly day after day this great sermon should be explored and applied—for humility and mature charity, alertness to false prophets, and the power of example. We believe it can thereby lead to solution of the most serious human problems, and offers great power for healing among the nations.

This text, Matthew 5, 6, 7, is from the Revised Standard Version of the Bible, copyrighted 1946 and 1952 by the Division of Christian Education, National Council of Churches. Used by permission.

# Challenge To American Industry --- Competition With Europe

## Common Market Called A Potential U. S. Of Europe

The war-ravaged Western Europe of 1945 is today the free world's biggest success story.

Its success is so great, in fact, that it poses an increasing challenge to United States industry—steel, for example. Competition from across the sea is regarded as one of the factors in the current low level of steel orders—a condition that has resulted in layoffs and a 5% pay cut for Granite City Steel Company's salaried employees.

The booming European Economic Community, also known as the Common Market, has prompted Nikita Khrush-

chev, Russian premier, to call a grand council of the Soviet bloc to discuss ways of meeting the Common Market's competition. The European Community also has impressed others. President Kennedy's Trade Expansion Act, now in Congress, is aimed directly at increasing American - Common Market trade.

The President has called for an "Atlantic Partnership" with the European Community.

Great Britain is negotiating for membership in the European Community. Ireland, Denmark and Norway also have applied for membership, and Austria, Sweden, Switzerland, Turkey and Spain have applied for as-

sociation. Greece already has associated.

**What Is European Community?**

The European Community, comprised of Belgium, France, Italy, Luxembourg, the Netherlands and the Federal Republic of Germany—is a United States of Europe in the making. Built on the ashes of world war II, it is aimed at building a single market of continental scale such as that of the United States, and is moving toward a political union that may eventually contain more people and industrial power than either the United States or the Soviet Union.

If Great Britain enters the

Community, as seems likely, the European Community will become an even more powerful force in the free world. It will be able to pay a greater share of the aid to underdeveloped nations... able to provide for its own defense... able to give the United States a powerful ally for peace at the bargaining table with the Soviets.

The Marshall Plan after world war II gave Western Europe the help and spirit it needed to revive from war which had killed its young men, destroyed its cities, and depleted its resources.

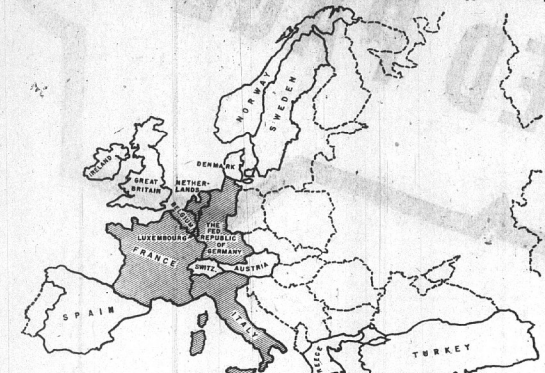

The idealism and cooperative

spirit of the Marshall Plan were transferred to the leaders of Western Europe, some of whom had shared a long dream. That dream was a Europe where Germans and Frenchmen and their neighbors would live in peace while raising living standards for all their people. In short, a United States of Europe.

As it turned out, this was one of the times in history that the dreamers got their way and it's happening even sooner than they hoped, perhaps sooner than the U. S. economy has been able to adjust to the new and generally welcome competition.

PIERO MALVESTITI, President of the European Coal and Steel Community's Executive Branch. WALTER HALLSTEIN, President of the Common Market's Executive Branch.

THE EUROPEAN COMMUNITY: This outline map shows in shaded color the present members of the European Community. Countries which have applied for membership or association are shown in white and bordered by solid lines.

PIERRE CHATENET, President of Euratom.

A. M. DONNER, President of the Court of Justice, European's Supreme Court.

HANS FURLER, President of the European Parliament.

EUROPE'S PARLIAMENT IN ACTION: The European Parliament, representing the people of the bigger if Britain joins the Community.

EUROPE STEAMS AHEAD: The Port of Rotterdam is busier than ever as the European Common Market sells more—and buys more too. Trade between the Common Market and the U. S. has increased 44 percent in four years.

## Seminar Brings Reunion With Past

By JOHN W. ALLEN

Southern Illinois University

The second week of the 15th annual meeting of the Seminars of American Culture is under way at Farmer's Museum. It may well be thought of as a reunion, though a somewhat strange one. Most reunions are gatherings of individuals who are kinmen or of those who once were associated in work or a venture. This one is neither.

The reunion feature of the meeting comes from each individual's efforts to hold a kind of reunion of his own with the past. One senses a kind of nostalgia and sees evidence of the efforts of many to visit in a past they never knew first hand nor even had opportunity to observe closely.

It was an era that passes with the coming of "modern times." A bit of the feeling experienced by those peering into the past is expressed vaguely in the opening lines of a poem that oldsters learned from their school readers. As recalled, the lines said: Backward, turn backward, oh time in your flight Make me a child again, just for tonight.

Naturally, it can't be done, but it doesn't hurt to try. Perhaps there is no better place in which to make the effort than in Farmers Market here in Cooperstown, surrounded by literally thousands of articles that man has made and used in years gone by.

Almost any one of these articles is ready to tell its story to a properly attuned ear. Taken together, they reveal much about the homely way of life that rural folk lived in America 150 years ago.

All this has been preliminary. People throughout the country are coming to realize the story that old and often forgotten

## tools, appliances and devices have to tell about a particular

era, such as southern Illinois. Often they can do this more clearly and forcibly than documentary materials ever do.

No amount of text can tell so well the strenuous labor of hay and grain harvest as can the scythes, grain cradles, flails, reaps, hand rakes, cradle fans, wooden pitch-forks, winnowing baskets and the rare "ground hog threshers" that still can be found.

Butter molds, milk pails, churns, milk crocks, cheese presses, milking stools, wooden ladders for working butter and other appliances, speak volumes concerning the housewife's labors. So do flour barrels, stumps and stone grist mills, Dutch and brick ovens, dough trays, wooden end platters and scoops.

In fact, the list of implements used by the farm household in her kitchen a century ago stretches on and on. Nutmeg graters, bundles of herbs hanging on pegs tell of crowded cabin space. Ash hoppers, containers for meat scraps and large iron kettles show how families came by their soap. Copper, brass and iron kettles and pots about the fireplace tell how food was prepared over the same fire that warmed the room.

Shaped slices of soapstone and brass warming pans tell of cold beds in unheated bedrooms. Ox yokes, tread mills and hand-powered tools tell how the farmers spent their days. Rush lights, candles, pine knots and the various patterns of grease lamps show how they tried to light their nights, in the days before kerosene.

In numerous places over the country, organized efforts are being made to collect and preserve these eloquent relics of an

TR. 7-3346

JULY MEETING OF WOMEN'S SOCIETY

The July meeting of the Women's Missionary Society of Trinity Methodist Church was held Tuesday at the church.

Mrs. Mary Lee Herman, president, called the meeting to order and conducted a short business session. The society planned an ice cream social and snack supper for Aug. 24 at the church. In case of bad weather it will be held inside the church.

The lesson was given by Mrs. Oma Iyle, entitled, "The Church and Today's Students."

Mrs. Edith McAllister served as hostess and served a lunch to the above mentioned and Mesdames Nellie Herman, William Harris sr., Joyce Harris and daughter, Ruby Johnson, Minnie Dillard, Wanda Robb, Maurine Cochrane, Jackie Dillard, James Bryant, and Mieda Brainard. The next meeting will be Aug. 28 at the church.

INFANT CHRISTENED

Richard Lynn, infant son of Mr. and Mrs. Robert James, 2810 Namsok road, was christened early day. Without some knowledge of them, the daily life of the pioneers would be hard to understand.

Many of us here at Cooperstown think it is just as important those living now know how people dressed, traveled, heated their homes, worshipped and amused themselves as it is to know how they lived in 1832. Perhaps a reconstructed farmstead somewhere in southern Illinois would be justifiable and helpful.

## St. Louis Injured In Labor Temple Fall

Harry Kuper, 32 St. Louis, is recuperating at Incarnate Word Hospital, St. Louis, with a compound fracture of the right leg received in a fall at the Labor Temple here Monday.

Employed by a St. Louis trucking firm, Kuper was helping another worker carry a 400-pound telephone booth down a flight of stairs when he fell, face first, down 14 steps. The telephone booth landed on top of him. He received emergency treatment at St. Elizabeth Hospital.

Sunday at St. Joseph Church. Godparents were Mr. and Mrs. Robert Deaton.

A picnic luncheon was enjoyed following the ceremony at the home of the godparents, Mr. and Mrs. Milton James and Mrs. Mary Lee Herman.

Mr. and Mrs. Gene Bush and children, Rex and Terri Lynn, 2837 Edgewood, had as guests over the weekend Mr. and Mrs. Herschel Stowers and Mrs. Sue of Indiana. Donna Stowers, who has spent the summer with the Bushs, returned home with her father, Mrs. Stowers and Nancy Sue remained at the Bush home for a short visit.

Mr. and Mrs. James Drury and children, Vicki, Jimmy, Danny and Kevin, 2820 Edgewood, spent the weekend in Salem, Mo. Penny Ann and children returned to Salem with the Drurys after spending a week here.

Cook several slices of bacon and crisp and then crumble the strips; add both the bacon fat and the bacon crumbs to freshly cooked spinach, fresh or frozen.

ANNOUNCE MARRIAGE

A belated reception was held at Mount Zion General Baptist Church for Rev. and Mrs. Charles Monroe. The couple married June 24 in Vancouver, Canada, where the bride's family lives.

The groom is the son of Mrs. Flora Monroe, 2038 Benton street.

LEAVE FOR CAMP

Dr. Bill Richardson Crusader of Second Baptist Church left Monday morning for RA camp at Pinckneyville, Ill. Those attending are Danny Perrod, President Stephen Krause, Joe Smith, Bobby Snyder, Ricky Lewis, Jimmie Daniels, a visitor from the Carmel Children's Home, and the counselor, Robert Lewis.

GA PLANS OUTING

The Intermediate Girls Auxiliary met Tuesday evening at Second Baptist Church. The program was "Just Like a Tree," with all taking part: Nancy Wigger, Evelyn Barnes, Karen Thompson, Jean Anderson, Bonnie Fennell and a guest, Terry Firth, the counselors, Mrs. Ethel Cox and Mrs. Mary Charlton.

The July project is to provide cookies for a Bible school. Plans were made for a covered dish supper and swimming at Wilson Park.

HOME FROM ARKANSAS

Mrs. Ann Burnett and Mr. and Mrs. Eugene Burnett and children, Don and Debra, returned Sunday from Hot Springs, Ark., where they spent a one-week vacation and visited former local residents, Mr. and Mrs. James Tolton.

RETURN FROM VACATION

Mrs. Wilma Clemens and daughters, Carol and Becky, returned Tuesday from a vacation in the farm home of her father, John Thompson, at Piedmont, Mo. She was accompanied home by her husband, George, who went there to join them.

## Granite City PRESS-RECORD

Page 10 Thurs., July 26, 1962

RETURN TO WEST

Mr. and Mrs. Charles Mason of Lynwood, Calif., visited in the home of Mr. and Mrs. Frank Broadway and family this week. Mr. Mason was formerly Mrs. Sharon Pierson of Granite City before moving to California. They left today for their home.

HOME FROM FLORIDA

Mr. and Mrs. Frank Zenik, 505 Lakewood drive, returned Tuesday from a week's vacation in Florida.

Dr. Kathleen Jones Primary Sunbeams met Tuesday afternoon at the Second Baptist Church to complete a month's study of "The Nearness of God." Each one presented made year pictures of "Paul and Jack" and "The Story of Jonah." Plans were made for a picnic at Monks Mound in August and also for Sunbeam Focus Week Aug. 12-18.

A Sunbeam, Kathy Farley, closed the meeting with prayer. Those present were Corky Burnett, Lana Luparicus, Becky Firth, Allen Newberry, Frances Welty, Gary Lewis, Robert McFord and visitors, Shelly Ford, Becky Miller and Kathy Farley.

## United Fund Board To Meet On New Budget

The board of directors of the Tri-Cities United Fund is to meet at 4:30 p.m. today to figure the 1963 operating budget and set the goal for this year's fund drive. The goal is expected to be in excess of the \$298,465 sought in 1961.

The fund drive is scheduled to begin in October and will last about a month.

The board is to consider proposals arrived at in a meeting Monday of the executive committee. The campaign goal is to be based on operational costs of the United Fund and allocations to member agencies. Funds raised in the coming drive will be used to meet operational and charity expenses during 1963.

The United Fund collects and administers funds for welfare and health agencies in the Quad-City area. John McBride vice-president and general manager of Union Star and Refining Co. is chairman of this year's drive, and Ernest A. Karandjef, president of the Granite City Trust and Savings Bank, is vice-chairman.

The executive committee in its meeting acted on providing the cash requirement for the United Fund during the campaign drive quarter.

## Assisting In GOP Club Organization

Mrs. Vernice E. Wortman, 24th District membership chairman of the Illinois Federation of Republican Women, was in Troy Monday evening to assist in the formation of a Republican Women's club.

The meeting was held in the home of Mrs. W. H. Faus, 120 Wayland avenue, the former Neola Luster of Granite City. Among the guests was Walter Kurtz of Troy, a Republican precinct committeeman.

Mrs. Faus was appointed temporary chairman and Mrs. Shirley Spengel secretary. Committees were appointed to select officers and to draw up by-laws. Their reports will be given at the next meeting Aug. 13 in the Faus home.

A telegram of congratulations was received from Sen. Dirksen of Illinois. The Granite City Republican Women's club, headed by Mrs. Edna Kohlbrecher, is furnishing books and material for the new organization.

## Truck, Car Collide

In an accident at 1 p.m. Monday, Douglas-Uppli, Wood River, was heading west on 19th street and attempting to turn his truck right onto State street. Unable to do so because the road was blocked, he attempted to back up and his vehicle was involved in a collision with an auto driven by Joe Ross, 2070 Washington avenue, also westbound.

## County Ceremony To Honor Local Scholarship Winners

Twenty-three Quad-City students will be given four-year college scholarships at the Ninth annual Madison county teacher education scholarship presentation ceremonies at 8 p.m. tomorrow in the cafeteria of Edwardsville senior high school.

The 19 scholarships in teacher education and four in special education represent 25% of the 88 total given Madison county high school graduates of 1962.

George T. Wilkins, state superintendent of public instruction will be featured speaker at the ceremonies.

The scholarships will be given out by Wilbur R. L. Trimpe, county superintendent of schools. Mrs. Marvin Roberts of District 29, Illinois Congress of Parents and Teachers, will give a special presentation.

Scholarships are to be presented to nine students from Madison, eight from Granite City, and six from Venice.

One of the scholarship entities is a student to four years at District 29, Illinois Congress of Parents and Teachers, will give a special presentation.

**List Of Winners**  
Granite City high school recipients:

**HERE FROM MISSOURI**  
Mrs. Helen Dyess and children, Craig and Sonya, of Bloomington, Miss., are visiting her brother-in-law and sister, Mr. and Mrs. Charles Clark and family of Edwardsville road, and other relatives and friends here.

Glenn Tucker of Edwardsville road is home from St. John's Hospital, where he underwent surgery last week.

## Kiwanis Club Discusses Aug. 12 Boat Races

Fourteen members attended a weekly dinner meeting of the Granite City Kiwanis club Monday night at the Elks club. The usual program time was devoted to discussing details of boat races the club is sponsoring jointly with the Bow Line Boat club Aug. 12.

The event will take place at the confluence of the Missouri and Mississippi Rivers at the Bow Line Boat club grounds.

At next week's meeting, Roy Graham will discuss office equipment used for reproduction.

Thurs., July 26, 1962 Page 1

## Sesquicentennial Auto Signs Being Given Out

Stovepipe hats, derbies, and ties emblematic of the 150th anniversary of Madison county will go on sale in the Quad-City area and sesquicentennial auto bumper stickers will be distributed free starting this week.

The number of heard grocers is reported to be increasing in the "brothers of the brush" category, being sponsored by the Granite City Junior Chamber of Commerce.

Sesquicentennial headquarters in the Edwardsville courthouse opened at 10 a.m. yesterday, ahead of the previously announced Aug. 1 date. Plans were announced to feature club speakers during the sesquicentennial celebration week of Sept. 8-13. Groups wanting speakers may contact Dr. Leo Coleman of Granite City.

Concession stands at the celebration will be operated by civic and fraternal organizations. Those groups desiring space for soft drink and food stands are being asked to contact I. W. Van Haften, Collinsville, or apply at the courthouse headquarters.

Yesterday was the last day for candidates for sesquicentennial and to submit applications. Jaycees are to hold a kick-off party for queen contestants at the YMCA here Wednesday, Aug. 8.

Fifteen finalists will be awarded prizes and the winner will be announced Sept. 8 at the queen's ball at the Alton Mineral Springs Hotel.

Pioneer costumes and old cars will be a feature of the show to be held at the Madison county fair in Highland as a preview of the sesquicentennial observance.

## Legion Post 113 Plans 'GI Party' Friday Night

Members of Tri-City American Legion Post 113 will stage a "GI party" tomorrow night at the post home, 2351 Madison avenue.

Newly elected Commander Harold Summers said the interior of the building will be cleaned from top to bottom in preparation for the public installation of 1962-63 officers next month.

Summers presided at the first meeting of his election Tuesday night, and urged post unity during the coming year. Post members drew up a resolution for a deceased member, Joseph Russell, which will be sent to his family.

Post 113 will continue to hold barbecues outside the post home on Saturdays. Donald Halber, jr., junior vice-commander, said the events are continuing to be successful.

Refreshments were served to 30 members following Tuesday's business meeting.

### Victory Mothers Aid Veterans At Two Hospitals

Victory Mothers Unit Two met Tuesday evening at the 100F hall, with Mrs. Sadie Peacher presiding. After posting of colors and the pledge of allegiance, prayer was offered by the chaplain, Mrs. Alma Davis, in the absence of Mrs. Ida Oram.

Business was discussed and subscriptions for magazines were sent to Marion Veterans' hospital. A cash donation was sent to the Cochran Veterans' Administration Hospital, St. Louis.

Refreshments were served by the hostesses, Mrs. Nan Shone, Mrs. Mae Wetzel, Mrs. Ann Sternberg and Mrs. Vina Shone. Games were played, and all received prizes. Sixteen were present.

### HOSTESS TO PAST NOBLE GRAND CLUB

The Past Noble Grand club of the Ann Rutledge Rebekah lodge met Tuesday in the home of Mrs. Vi Kassabum, 1728 Madison avenue, for a pot luck luncheon.

Mrs. Vera Schillinger presided over a business session which followed the meal and, later, there were games for entertainment, with awards going to Mrs. Schillinger and Mrs. Joyce Bailey.

The August meeting of the club will be with Mrs. Myrtle Anderson, 5037 Lakeview drive.

### WOMEN OF MOOSE HOLD MEETING

Chapter 247, Women of the Moose, met last night with Mrs. Maxine Little, senior regent, in charge.

Approximately 35 attended and two new members were initiated on and accepted.

Prizes were won by Mrs. Ada Tapscott, Mrs. Katherine Smith, Mrs. Edna Frame, Mrs. Edith Rodgers, Mrs. Marian Lipcomb, Mrs. Edna Miller and Mrs. Mildred Votaw.

An officer's chapter night meeting will be held Aug. 8, with Mrs. Little presiding.

Hollywood-Andrews Photo

**MISS CAROL GRIZZARD**, fiancée of **Gerald McConnell**, son of Mr. and Mrs. Harold McConnell, 2417 Missouri avenue. Announcement of the engagement is made by the bride-elect's parents, Mr. and Mrs. W. J. Grizzard, 3235 Edgewood avenue. Tentative plans are being made for a spring wedding.

### LEAVES FOR KOREA

Pvt. James L. Jones, a son of Oscar Jones, and grandson of Mrs. Anna Jones, 2441 Dewey avenue, left Oakland, Calif., July 16 enroute to Korea and Japan, stopping for a short time in Honolulu, Hawaii, according to word just received by relatives here. He is aboard the U.S.S. Barrett.

ADVERTISE-IT PAYS

### Fashion Show Given By VFW Junior Girls

The Junior Girls Unit of the Veterans of Foreign Wars Auxiliary 1300 met Tuesday evening at the post home. Highlight of the evening was a fashion show, with the girls modeling dresses made by themselves. It was entitled, "The Comedy of Fashion."

Approximately 50 parents and friends attended the event. Serving as models were Mary Thomas, Susan Baiza, Kathy Leisner, Vicki McFain, Mary Ahlers, Janet Green, Karen Thomas, Jo Ann Gottfried, Joan Rogers, Patty Reader, Mary Lou Phelps, Marsha Walker, Patti Schnefke, Debbie Green, Bobby Rojas and Sandy Yates.

Janet Reader, unit president, served as narrator for the show and Bobby Rojas and Carol Green acted as ushers. After the show, refreshments were served by the hostesses, Rocky Rojas, Bobby Rojas, Violet Green and Carol Green.

Marsha Walker was presented with a prize for the best costume. The presentation was made by Mrs. Doris Loyd, Auxiliary president.

The next regular business meeting will be held Aug. 14 at the post home.

### CHURCHOVICH-PASLEY MARRIAGE ANNOUNCED

Announcement has just been made of the marriage July 15 in Centerville, Ill., of Mrs. Helen Pasley, a daughter of Mrs. Joyce Warrick of Granite City, and George Churchovich, son of Mr. and Mrs. Rocco Churchovich, 2832 Edwards street.

The couple is residing on Delmar avenue. Churchovich is employed by the Granite City Steel Co.

### VACATION IN EAST

Mrs. C. W. Genard, 1736 Primrose avenue, with her daughter, Mrs. Louise Thompson, 2224 Grand avenue, returned Monday from a month's vacation in the east. They attended the wedding June 30 in Collegeville, Pa., of Mrs. Genard's granddaughter, Miss Ellen Genard, a daughter of Mr. and Mrs. C. W. Genard Jr., formerly of Granite City, and Abram P. Beswick Jr., and wife, Mrs. William H. P. in Media, Pa., and Mr. and Mrs. Ira Dowell in Chester, Pa.

There also were sightseeing trips to New York and Atlantic City before returning.

**MRS. BOBBY GENE HARRIS**, a recent bride, before her marriage July 20 at Niedlinghaus Memorial Methodist Church she was Lorraine Kay Flaxbeard, a daughter of Mr. and Mrs. Homer Flaxbeard, 2833 Grand avenue.

### GEORGE DONJOIAN LEAVING FOR OKINAWA

George Donjoian, a son of Mr. and Mrs. Torres Donjoian, 1746 Poplar street, who has been vacationing the past five weeks with his parents, his sister, Miss Ann Donjoian, of the home address, and a brother-in-law and sister, Mr. and Mrs. Larry Reed, 824 Washington avenue, Venice, expects to leave soon for Okinawa. He has accepted a position there in the Army Dependents School.

A graduate of Memphis State University and George Peabody Graduate School in Tennessee, Donjoian has been teaching and counseling in the La Puente, Calif., school district.

### BIRTHDAYS OBSERVED AT BARBECUE DINNER

Mrs. Carol Kindle and Miss Toni Hunter shared honored at a birthday barbecue dinner this week given by Mrs. Kindle's parents, Mr. and Mrs. Howard Whitten of Marshall avenue.

Others present were Mr. and Mrs. Lorton Hunter and daughter, Toni, Mrs. Jessie Hunter, Mr. and Mrs. Charles Payne and children, Glenn, Brian and Charles Jr., Mr. and Mrs. Jerry Singleton and son, Jeff, Mr. and Mrs. Lamon Kindle and daughters, Cheryl and Dawn, John Lerch, Richard Ely, Mrs. May Kleinman of Pochontia, Ill., and Rosemary, Lane and Linda Whitten.

**THE DEN-SING ALONG WITH PHIL SPENCE- FRIDAY & SATURDAY**

### SLADKY FAMILY RETURNS FROM SOUTH

Mr. and Mrs. Jerry Sladky and family, 4116 Melrose avenue, have returned from a vacation in the south. They stopped in Mammoth Springs, Ark., for their daughter, Valerie Ann, who spent the past three weeks there and in Harvey, Ark., with her uncles and aunts, Mr. and Mrs. Theodore Anderson, and Mr. and Mrs. Kenneth Anderson and their families.

They also picked up another daughter, eight-year-old Terry Lynn, who vacationed at Frontier Major Lodge for two weeks. The entire family, including the twins, Jerry Ray and Judy Kay, arrived home Monday.

### ATTEND SHOWER

Miss Mary Beth Mormino, Miss Mable Mormino, Mrs. Peggy Rains, Miss Phyllis Wallace, Mrs. Lucille Ross and Mrs. Aliza Travis were guests at a shower party given for Miss Phyllis Staal, who will be married Aug. 18 to Donald Wallace. Their names were inadvertently omitted in an earlier issue.

### JOINT MEETING OF YOUTH FELLOWSHIP

Members of the Methodist Youth Fellowship of the First Methodist Church held a joint meeting with the Venice association Monday evening.

A scavenger hunt and other games and a wicker roast filled the evening. A short worship service was held.

During the program Sarah Lucas sang a solo.

Those attending from the Venice group were Kathy Yearman, Linda Mitten, Richard Patterson, Ed Campbell, Gary O'Neill, Bill Getz, Kenny McMullan and Rev. Johnson.

Those attending from the Madison church were Angela Richardson, Becky Carly, Marlene Black, Linda Raab, Arlette Schleuter, Sarah Lucas, Janice Derner, Cathy Chapman, Kathy Scott, Sammy Beers, Johnny Carlson, David Wilkins, Tommy Williams, Reverend Russell Odell and the counselors, Mrs. Kathryn Jones and Mrs. Avis Richardson. The meeting was closed with the MYP benediction.

### REBEKAHS PLANNING SUMMER, FALL EVENTS

Delray Rebekah Lodge 786 met Tuesday evening at the Odd Fellows hall in Madison, with 20 members responding to roll call.

The noble grand, Mrs. Virginia Gall, was in charge of a short business meeting, at which time plans were made for a luck supper to be held at the hall on Aug. 14. The supper is for members of the lodge and their families and will start at 6 p.m.

Jewels of the lodge will be presented during a meeting Oct. 9, also at the hall. Mrs. Katie Burk, Mrs. Verna Gall, Mrs. June Mowery are on a committee to visit the Madison Nursing home Aug. 2.

### HONORED ON BIRTHDAY

Bert Pettit, 1931 Sken street, was honored on his seventy-first birthday with a party held in his home Saturday afternoon. Movies and other pictures were taken during the event.

Cake and ice cream were served to Mrs. Ida Pettit, Mr. and Mrs. Isaac Thompson and sons, Ricky and Johnny, Mrs. Connie Nance, Mrs. Myrtle McIlroy, Mr. and Mrs. Alfred Schreiber, Mr. and Mrs. Harry Champion and children, Kathy and Billy, Mr. and Mrs. Orville Cook, Mr. and Mrs. Verne McIlroy, Mr. and Mrs. Buck York and children, Sharon and Gary, Miss Karen Marney, Leo Cook, Bob McBride, Harry Trohar and children, Bobby and Candy, Mrs. Margaret Watkins and son, Wayne, and Edwards Brooks. Out-of-town guests were Mr. and Mrs. Clyde McBride of Tamm, Ill.

### CANASTA CLUB MEETS

The Chatter Canasta club was entertained in the home of Jeanne Bosworth, 1434 Sixth street, Tuesday evening. Mrs. Annie Laura Platt won the prize for the highest score for the evening, with Mrs. Mattie Bosworth winning the prize for low score. Others playing were Mrs. Billie Bosworth, Mrs. Rae Miller, Mrs. Sally Bosworth, Mrs. Me-

## Diet Note: The Loser Wins!

In fighting the battle of the bulge, the winner is the dieter who loses—pounds. And unflavored gelatin is a mighty weapon in the hands of the weight-watcher.

An envelope of unflavored gelatin dissolved in fruit juice, vegetable juice, or bouillon provides an excellent low-calorie, high-protein snack. Unflavored gelatin is an all-protein food, and the envelope amount contains only 28 calories. (The unflavored gelatin drink has another advantage—taken over a three-month period, it can help strengthen cracked and brittle fingernails.)

As every dieter knows, unflavored gelatin goes into a variety of superb low-calorie dishes. Perfection Salad, for instance, is so delicious that it has become an American classic.

### Perfection Salad

1 envelope unflavored gelatin  
1/4 cup sugar  
1/4 teaspoon salt  
1 1/4 cups cold water, divided  
1/4 cup vinegar  
1/4 cup finely shredded cabbage  
1 cup diced celery  
1/4 cup diced green pepper  
Mix together gelatin, sugar and salt in a saucepan. Stir in 1/4 cup of the cold water. Place over medium heat, stirring constantly, until gelatin and sugar are dissolved. Remove from heat. Stir in remaining 1 1/4 cups water and vinegar. Chill until mixture is the consistency of unbeaten egg white. Fold in cabbage, celery and green pepper. Turn into a 6-cup mold or individual molds. Chill until firm. If desired, unmold on salad greens.  
Yield: 6 servings, 44 calories per serving.

## Amsted Firm Reports Sharp Increase In Income, Sales

Amsted Industries Tuesday reported that the company had sharp increases in net income and sales above year-ago levels for the quarter and nine months ended June 30, 1962.

Joseph B. Lanterman, Amsted president, announced in Chicago that net income in the quarter ended June 30, 1962, was \$2,555,119 or 91 cents per share, a 44% increase from \$1,776,828, or 63 cents a share, in the year-ago period. Sales climbed to \$37,864,050, a 34% increase from \$28,152,438 a year earlier.

The firm operates American Steel Foundries here. Amsted's net income in the nine months ended June 30, 1962, increased to \$5,483,575, or \$1.93 a share, a 31% gain from a year ago's \$4,199,787, or \$1.47 a share. Sales were \$93,981,826, a 17% increase from \$80,615,579, a year earlier.

**Steady Improvement**  
Lanterman noted the company's earnings also have improved from quarter to quarter in the current fiscal year.

Net income amounted to \$1,008,570, or 36 cents per share, in the quarter ended Dec. 31, 1961, and \$1,912,886, or 68 cents per share, in the quarter ended March 31, 1962.

Pinpointing the company's quarterly and nine-month sales increases, Lanterman said:

ryle Gnath, Mrs. Sandra Pumphreys and the hostess.

Banana split was made by each of the members. The next meeting will be held in the home of Mrs. Billie Bosworth.

During the evening, the group discussed the order which they attended in a group previously.

mand has increased for castings for railroad and industrial use, roller chains and sprockets, precision machine tools, cast iron pipe for water mains, and the application of protective coatings to steel pipe for the oil and gas industries.

However, he cautioned that demand for new freight car components, a 1 to 1 1/2 u g improved, continues at a low level.

### Future Outlook

The company president said that operations in the quarter ending Sept. 30, 1962, "will be adversely affected by plant shutdowns for vacations."

He added that "net income for the entire 1962 fiscal year is expected to be substantially above 1961."

Referring to recently-revised depreciation rules of the Internal Revenue Service, Lanterman said: "A preliminary review indicates there will be no major change in Amsted's depreciation of buildings and equipment and therefore there will be no significant effect on either income or cash generation in 1962 or in subsequent years."

Company expenditures for plant and equipment in the first nine months of the fiscal year were \$4 million and are expected to amount to about \$6.5 million for the entire fiscal year.

Lanterman noted that the company's financial position continues to be strong.

ADVERTISE — IT PAYS!

RECOVERY MISSIONS of aircraft under simulated emergency conditions were part of a two-week tour of active duty this month for Airman first-class James Chism (center of three men shown), 24-29 Lynch avenue, and other members of the 9214th Air Force Reserve Recovery Squadron. Chism and his companions participated in a recovery program at Decatur Municipal Airport. The simulated program was based on the assumption that in an enemy attack, American bases were so badly damaged that returning aircraft were unable to land. The recovery unit program will provide emergency facilities and services, including crash and rescue, decontaminations, medical treatment, aircraft repair, communications, refueling and security.

### AMVET AUXILIARY BUSINESS SESSION

The Amvet Auxiliary of Post 51 held a mid-summer meeting Monday evening at the post hall, 5100 Lake drive with six mem-

bers present.

Mrs. Dorothy McElroy, president, conducted the meeting.

Plans for two events in the future were discussed. One event is to be a cake sale and the other will be a quilt social.

The president also announced the meeting dates have been changed and will take effect August. The auxiliary will meet on the second and fourth Wednesday evenings of each month.

Games were played and a while elephant prize was secured by Mrs. Kathy Boggs.

A late dessert course was served by Mrs. McElroy, the evening's hostess. Mrs. Boggs, Mrs. Bertha Macen, Mrs. Dis-

McNull, Mrs. Nadine Harrison and Mrs. Pauline Wickham.

The next meeting will be Aug. 8 at the post home.

### NORTH CAROLINIANS VISIT MOTHERS

Mr. and Mrs. Alfred Itermann of Winston-Salem, N. C., have spent the past week visiting their mothers, Mrs. Clotilda Gattung, 1644 Moro avenue, and Mrs. Itermann, 2628 State street.

The former residents were accompanied by their children, Janet, David, Mary Kay, Robert, Beth Ann and Billy, and will be in Granite City until the end of the week. Mrs. Itermann is the former Miss Marie Gattung.

**GUESTS FROM MISSOURI**

Mr. and Mrs. Homer Ray and children, Donna, Jean, Bobby and Stacey, of Cape Girardeau, Mo., have been spending the past week with their brother in law and sister, Mr. and Mrs. John Ferguson and children, Roberta and Freddy, at the Ferguson home, 2102 Miracle avenue. A birthday dinner was held for Ferguson. The Rays expect to return to their home the latter part of this week.

### Vandals Enter Home

Donald Edwards, 2337 Rock road, told police Wednesday night that vandals entered his home that day while the family was away and wrote a threatening message on a bedroom mirror. It is believed entry was gained through the rear door. Nothing was reported missing.

It is estimated that 22 per cent of U. S. drug stores sell food staples.

President John Kennedy celebrated his 45th birthday on May 19, 1962.

## Plans For Two School Additions To Proceed

Working drawings will be made for construction estimated to cost \$200,000 at Mitchell and Nameoki grade schools as a result of action by the Granite City board of education at its Thursday evening meeting.

The board also approved a contract with Henry Gabriel and Sylvester Dugleroff and Associates, architects, for the two classroom additions. There will be a six per cent architectural fee.

Six rooms are to be added at Mitchell and four at Nameoki. Gabriel and Dugleroff presented a preliminary design analysis for the Mitchell classroom addition. A property survey shows the existing building is too close to the east property line to build an addition there with classrooms on both sides of a corridor.

With rooms along only one side of a corridor, it would be impractical to plan the addition for a possible second story later on, Dugleroff said. Mechanical costs would be approximately 50% greater and general construction costs from 30 to 40% greater for the part built now, he added.

Since the south end of the new addition will rest in an area where septic tanks are located, the tanks will have to be removed. The board considered possible methods of providing for the existing building, the sewage load from the planned addition and from a possible future addition.

Providing a septic tank and drain tile field of 18,000 to 20,000-gallons capacity, large enough for the present building and future additions, would cost \$15,000, Dugleroff estimated. Approval was given by the board for test on the soil, at \$100 to \$150 cost, to determine the ability of the soil to absorb the water. The tests will be necessary to determine the size of the tank and tile field necessary.

Another possibility, he said, is that the state might require the district to build capacity now for only the existing building and planned addition, and not the anticipated future part of the septic tanks now in use might be retained, he reported. An alternative system would be installation of an "activated sludge plant," a small-scale sewage treatment plant similar to those used by cities. No drain field would be required, although a fenced-in area of about 18,000 feet would be necessary, he explained. Maintenance would be very low, and water could be run into a natural ditch. Hauling costs would be cut.

A cost breakdown submitted by the architects for the Mitchell addition shows \$18,800 basic construction costs for a 7800-square-foot building; \$2500 allowance for extra concrete foundations where the septic tanks are removed; \$1000 enlargement of the boiler for future expansion; and \$15,000 for a 20,000-gallon septic tank and drain tile field, bringing basic costs to \$119,360.

A five per cent contingency fee of \$6000 unexpected expenses, and a six per cent architect's fee of \$7200, would bring total construction cost to \$132,580.

The Nameoki addition is expected to cost about \$65,000. A breakdown was not given. Board members discussed the Madison county pilot guidance program from which they withheld their approval two weeks ago.

Students in the district will not be hurt by the decision of the board, Supt. Harold M. Kaiser noted. The program had been planned as a county venture, with the schools pooling their funds.

He recommended that a representative be sent to the next annual meeting of the National Vocational Guidance Association, as a move to strengthen the district's guidance program.

**Federal Impact Aid**  
Dr. Kaiser also told the board that Congress has passed supplementary appropriation bills for Public Laws 874 and 815, which he had traveled to Washington this month to discuss with other administrators and with Congressmen.

It will not be necessary, for Dr. Kaiser to make another trip in support of the measure. Dust from the semi-circular drive at Coolidge Junior high school is spreading across Nameoki road and Bellemore Village, it was reported. The board decided to ask for bids on oil treatment for the driveway.

**Report On Address**  
In an item last week, the Press-Record listed the address of Kenneth Eugene Boelling as 1612 Venice avenue, an address he gave police. The family residing at that address said Boelling no longer lives there.

**Public Invited**  
The public is being invited to attend an open house through 3:30 p.m. today at the Associated Retailers Credit Bureau office. Modern automated office equipment is being displayed there.

## Drainage Election Key To Federal Urban Renewal Funds

An added benefit of federal sanitary district to build a sewage treatment plant, the federal funds would not be forthcoming.

**Streets, Sidewalks, Sewers**  
The federal funds could be used to build streets, sidewalks and sewers as well as carrying out the redevelopment of older, blighted sections of the city.

**Allegation of Corruption**  
Alderman Donald Partney, former chairman of the city council's planning committee, who has made a detailed study of urban renewal, pointed out at a recent meeting that the city would not be required to go into a "wholesale land clearance program."

Partney said the city could redevelop a city block, leaving intact any property that is well kept and that meets city codes.

**Houses Can Be Rebuilt**  
"If there is a blighted block with two or three good houses, the old ones can be torn down and the good ones can be repaired. If a house is bought and razed, the former owner can build a new one on the same site with about \$500 down and \$20 to \$30 monthly payments," Partney added.

Materials used in his speech concerning the American Legion and its Americanism program as it aids scouting.

In the first year of the program, Casey Fredericks of Frohardt PTA Post 22 won second place, giving the Cahokia Mound Council two such honors in a row.

**GAS HEAT HEADQUARTERS, TRI-CITY HEATING, GL**  
5-1110.

**McIlvoy Winner In State Legion Essay Judging**  
David McIlvoy, explorer from Post 94, Granite City Steel Management club, who was the Cahokia Mound Boy Scout Council's "Report to the State" Representative, has been chosen as No. 1 on the 1962 second annual State of Illinois Americanism contest, sponsored by the Illinois State Department of the American Legion.

He submitted an essay on "Americanism." He is planning to attend the University of Illinois this fall, with a prelaw as his potential major. He is the son of Mr. and Mrs. Wendell McIlvoy, 1853 Edwardsville road, Madison. Wendell McIlvoy is blast furnace practice man at Granite City Steel Co.

David McIlvoy will receive a \$200 scholarship at the state Legion convention to be held in Chicago Aug. 1 to 5. Post 113 here will honor him during its annual installation ceremonies Aug. 11 at the post hall.

Joe Gottfried, past commander, coached McIlvoy on the matter.

## Remodeling Funds

(Continued From Page 1)

problems can come up, and that \$15,000 can disappear overnight. His remark drew peals of laughter from the audience.

With Davis voting, the contingency reduction failed 11-3. Aldermen Charles Meyer, Partney, Rutledge, Wieser and Mrs. Gabrielle Bettine favored the cut.

Mrs. Bettine, a library board member, opposed elimination of the bookmobile and said the library board itself has the authority to make such decisions rather than the city council. At this point, Noon said \$16,000 to \$18,000 had been spent to acquire the former church building.

**The Vote On Bookmobile**  
The move to eliminate a \$7000 allocation for purchase of a new bookmobile failed to pass with the vote ending in an 8-8 tie. Retention of the bookmobile in the budget was favored by Aldermen Casmer Skubish, Sam Whitmer, Steve Basarich, Mrs. Bettine, Wieser, Sam Shuckelford and Ford Johnson and Mayor Davis.

Before the vote on the proposed building removal, Alderman Meyer urged that a legal opinion be obtained "once and for all" on the extent of the council's power to amend budgets submitted to it by the library board.

Alderman LeMaster stressed the value of the church building, saying it had been tuckedpointed with new flooring and a new furnace installed, before being obtained by the city. Harstall said he could not agree with any plan to spend a total of \$30,000 to obtain 75 feet of property.

Pointing out that library board members are appointed, Wieser urged Mayor Davis to seek to coordinate the planning carried out by the library board and council.

**Override Library Request**  
Mrs. Bettine stressed the library board's autonomy and Partney again urged economy. In the 14-2 vote, only Mrs. Bettine and Mayor Davis supported the library board in its proposed demolition program.

In related business, the council placed on final passage a \$180,000 special sewer maintenance tax levy. The vote was 15-1. Alderman Whitmer dissenting.

At Meyer's request, City Attorney Clifton agreed to determine whether the \$2.50 monthly rate charged to non-residents who have tapped onto the Granite City sewer system can be increased. Meyer said an increase would be fair, since those city residents who pay a similar monthly fee also will help pay for the special sewer maintenance tax.

## South Venice

MRS. DELORES BOSWORTH  
902 Third Street  
TR. 7-6485

**UNDERGOES SURGERY**  
Margaret Ann Freise, four-year-old daughter of Mr. and Mrs. Clarence J. Freise, 616 Lincoln avenue, is a patient at the Cardinal Glennon Hospital in St. Louis. She was transferred there from St. Elizabeth's Hospital and underwent an appendectomy.

She is now being treated for peritonitis, and may require surgery again. Her grandparents are Mrs. Martha Fessold of Granite City and Otto H. Freise of Caseyville.

**ENTERTAIN GUESTS**  
Mr. and Mrs. Calvin Bosworth and family of third street entertained as guests in their home Sunday Mr. and Mrs. C. N. Bain and family of Scott City, Mo. Mrs. Ruth Wooden and children, Darrel and Dawn of Wood River, Mr. and Mrs. Edward Bain of Granite City, Mrs. Betha Benner and Mrs. Inez Shelton and daughter, Jane, of Venice.

**MOTOR TOUR**  
Mrs. Julia Kackley of Third street and Mr. and Mrs. Bill Huston of Caseyville spent Sunday motoring through Missouri. They visited Iron Mountain Lake and were guests of Mr. and Mrs. J. H. Collins of Advance. They also visited Mr. and Mrs. B. F. Ellledge of Lutesville, Mo., and returned by way of Cape Girardeau.

**LIONS BOAT EXCURSION**  
The Venice Lions club held a regular dinner meeting Monday evening at the American Legion home, with 22 members present. The president, Gene Elgan, conducted the business meeting and final plans were discussed for a boat excursion to be held Sunday.

Miss Debbie Benner returned to her home in Scott City, Mo. Sunday after a week's visit with Mr. and Mrs. Calvin Bosworth and family of Third street.

## Hearing Sept. 10 On Proposed Local Village

In an order signed Tuesday, County Judge Michael Kinney set a hearing for 10 a.m. Sept. 10 on a pending petition requesting the call of a special election on incorporation of an area along Long Lake near Granite City to be known as the "Village of Pontoon Beach."

## Granite City PRESS-RECORD Page 18 Thurs., July 26, 1962

tained 40 signatures of electors and property owners residing within the area, which encompasses less than two square miles.

The hearing Sept. 10 is to determine whether the area described in the petition is a "village in fact," before any action is taken to call the special election requested.

## 2 Autos Stolen Here; Burglaries At 2 Locations

Two autos were reported stolen in Granite City this week, the latest some time last night. Local authorities also report burglaries at a home and restaurant, and two thefts from parked cars.

Fred Hartline, 1406 State street, reported his 1956 two-tone convertible stolen from his home between 7 a.m. and 3:30 p.m. Tuesday. The car had no license plates.

James R. Jones, 12 Briarcliff, reported this morning that his 1955 green auto was stolen during the night from his home.

The Wagon Wheel restaurant, 3004 Edwardsville road, was burglarized early Tuesday morning. Entry was gained by forcing a door on the east side of the building. A juke box and cigarette machine were rifled, with an undetermined amount of money taken from them. About \$10 also is missing from the cash register. The burglary was discovered at 6:25 a.m.

The Baugh home, 2009 East 20th street, was entered between 9 and 11 a.m. Wednesday and was ransacked. Entry was gained through the front door, which was not locked. The heater in a 1959 auto parked in the yard was badly damaged. Nothing was reported missing.

**Purse Taken From Car**  
Edna Martens, 2128 Washington, told police she parked in the alley at 11:30 a.m. Tuesday to carry packages into her home. When she returned 10 minutes later, her purse was missing from the auto.

**East St. Louis, Levee District Stalemate**  
The city of East St. Louis and the East Side Levee & Sanitary District board of trustees came to no agreement or decision today that city's plans to enter into the levee district's overall pollution abatement plan during a meeting yesterday afternoon in the council chambers in East St. Louis.

"We kicked it around and left it open," Mayor Alvin G. Fields told the press today. The mayor said he may bring the matter before the city council at its next meeting.

The meeting had been sought by the levee district in an effort to settle some differences from East St. Louis which, together with Granite City, still remains outside the district's plan to build a series of abatement and treatment facilities.

F. E. Wisely of the consulting engineering firm of Horner & Shiffrin again explained the levee district's plan, and said he would be available for further consultation.

"We want to check our surveys (East St. Louis had drainage and sewage disposal surveys made by another firm) and be sure we're doing the right thing for the city," Mayor Fields said.

## Band, Carnival Rides In Park Labor Day

A band concert and the return of carnival rides and concession stands to Wilson Park over the Labor Day weekend were approved last night by commissioners of the Granite City district.

The park has scheduled a band concert for Thursday evening, Aug. 30, and plans to operate Friday through Monday, Sept. 3. They will be the same as those which were operated in the park during the July 4th weekend.

Chartered bus trips to the Illinois-Ohio State football game of Oct. 20 and the Missouri-Jowa State game of Oct. 20 also were authorized.

**Special Meeting Tuesday**  
A special meeting of the park board is scheduled at 7 p.m. Tuesday to adopt a 1962 Levy and discuss acquisition of land along Maryville road as a site for development of a small park.

Commissioners approved July bills for payment in the amount of \$2,233, including \$12,537 in expenditures and \$2,338 in wages.

A time clock for hourly park employees was purchased for a cost of \$144, and the board also bought 18,000 color post cards depicting various views of Wilson Park from photographer Harry Fichte at a cost of \$624.

Station WGNJ was granted permission to broadcast all remaining Inter-City league baseball games originating in Wilson Park and a number of games in the park district's boys' baseball program.

Park Supt. Harold Brown was authorized to attend the 61st annual conference of the American Association of Park Executives in Kansas City Sept. 23-27, with a \$150 allowance for expenses.

**GAS HEAT HEADQUARTERS, TIL CITY HEATING, GL 2-1110**

## 8 Injured In Area Street, Highway Mishaps

Eight persons were injured in four of 15 accidents reported this week by Quad-City area police. Only one mishap resulted in injury to more than one person, authorities said.

**Five Quad-Cityans Hurt**  
Five Quad-City persons were injured at 12:25 a.m. Tuesday on Old Poag road between Edwardsville and Poag, Madison county sheriff's deputies said.

Paul Bargiel, 18, of 1817 Third street, Madison, was driving north when he lost control of his car on a curve and struck a utility pole, snapping it.

Two of the four passengers in the auto were admitted to Wood River hospital. Christine L. Moore, 17, of Edison avenue suffered contusions to the head and abrasions to both shins. Mary Lee Willis, 17, of 2426 Madison avenue suffered head and chest injuries.

Sue Adams, 17, of 1916 Harris street, Madison, Robert Morris, 20, of 1810 Skeen street, Madison, and the driver were treated for minor injuries and released.

**Pedestrian Struck**  
Diane Craycraft, 16, of 4012 Kirkpatrick, was slightly injured at 9:40 p.m. Monday as she was walking across Madison avenue at 27th street. She said the light changed as she was crossing and she was bumped by an auto driven by Lester Hammel, 35, of 2024 Dale avenue as it started to pull away. She did not require medical treatment.

**Motorist Injured**  
William N. Hill, 26, of 3429 Madison avenue was slightly injured at 4:45 p.m. Tuesday in a traffic accident near his home. He was driving north on Madison and had stopped to make a left turn. His vehicle was struck in the rear by an auto driven by

## \*SOCIETY\*

**PEACE LUTHERAN WOMEN MEET**  
The July meeting of Lutheran Church was held last night at the paragon, 3201 Erin drive. Mrs. Barbara Froelich, president, was in charge and Mrs. Rose Mehling was the devotional and song leader. Prayer was offered by Mrs. Gladys Freeman.

After the business hour, Mrs. Mehling gave the program from the book "Papa Was A Preacher," assisted by the members. Mrs. Doris Barkley served refreshments.

**MRS. BUENTE SR. ENTERTAINS CLUB**  
Mrs. A. F. Buente sr., 2119 Cleveland blvd., was hostess to the GCB club Wednesday afternoon at a meeting in her home. Luncheon was served, and prizes in the games were awarded to Mrs. Dan Seymour, Mrs. Buente, Mrs. Lottie Scherrer and Mrs. May McCauley.

The next meeting will be held in two weeks at the home of Mrs. Grover Dawson on Edison avenue. Mrs. Sadie Jones was a guest at yesterday's meeting.

**LEAVE FOR WEST**  
Mr. and Mrs. Garvin Butler Jr., with their children, Sherry Gayle and Garvin III, left Wednesday for their home in Garden Grove, Calif., after a visit of three weeks with their parents, Mr. and Mrs. Garvin Butler sr., 2595 Boyle avenue, Mr. and Mrs. G. E. Massie of Terrace avenue, and other relatives here.

James Smart, 50, 3217 Rodger, was arrested for reckless driving and driving while under the influence of alcohol. He was held pending release on bond.

Hits Barricade, Crane Stewart G. Sweeney, 43, Jerseyville, was admitted to St. Elizabeth Hospital Tuesday night

## MORE ABOUT \$214,680 GC Park Budget

(Continued from Page 2)

\$2300 hikes in insurance and social security payments.

**New Lockers Cost \$830**  
Installation of new, coin-operated lockers at a cost of \$830 accounted for all of the increased costs in swimming pool operation, which were offset somewhat by the reduction of bathroom attendants' wages by some \$2900.

Summer sports camp costs were cut by two-thirds, while the hiring of an assistant to the park superintendent was reflected in the increased community house budget.

Salary increases of \$600 increased insurance and purchase of additional supplies caused the major portion of the \$2300 rise in funds set aside for operation of park concession stands.

Of the new budget, \$48,283 was appropriated for recreational purposes, and the remaining \$185,397 for corporate operation. The park district's 1961 assessed valuation was \$146,525,946, compared to \$142,030,870 in 1960.

**Gradative Levy Rates**  
The district plans to levy a nine-cent rate for corporate purposes in 1962, compared to a 3-cent rate last year. The rate for recreational purposes is tentatively lower also at 25 cents this year, compared to 31 cents last year.

with injuries to the chest and left shoulder and a laceration to the left temple.

His auto went through a barricade at 11 p.m. Tuesday on Route 112, a half-mile south of Jopans 66. State police who investigated said his auto then slid on loose gravel and hit a crane in a highway construction area.

WISCONSIN-BOUND are seven Girl Scouts from the local area. Leaving this week for an encampment at Eau Claire, Wis., were (front row, left to right) Kathy Harsh, Hedy Brinkmeyer and Linda Ouchowski and (back row, left to right) Ronnelle Cooper, Judy Matras, Kathy Brave and Norma Rivenburgh.

## Busy Week For Area Girl Scouts Attending Roundup

Four Granite City Girl Scouts and a leader are attending a two-week roundup of 10,000 Girl Scouts at Button Bay, Vt. Meanwhile, seven others left this week for an alternate roundup at Eau Claire, Wis.

Girls chosen as delegates to the Vermont roundup, 50th anniversary celebration of the founding of the Girl Scout movement, are Pamela Bradley, Cathy Parker, Mary Jane Zimmerman and Margaret Ann Juhász. Miss Dorothy Hinson, Girl Scout leader from Madeline, is accompanying the scouts.

Girls chosen to attend the Eau Claire roundup are Kathy Harsh, Hedy Brinkmeyer, Ronnelle Ouchowski, reporter, Linda Cooper, Judy Matras, Kathy Brave and Norma Rivenburgh, photographer.

Girls from St. Louis and other Illinois councils accompanied them on the trip to Wisconsin. The local Scouts in Vermont, part of a contingent from the River Bluffs Council, met a group of California scouts when they arrived in Chicago. The following morning they toured the lakefront and Chicago, reporter Pam Bradley said in special correspondence to the Press-Record.

The girls are living in tents provided by the U. S. Army during their stay. A two-day birthday cake is to be baked shortly before the encampment concludes July 31. The theme is "Honor the past—serve the future."

Miss Bradley participated in opening ceremonies at the national roundup. She was one of 320 scouts who raised and lowered flags of the 103 states and nations participating in scouting.

They were accompanied in the ceremonies by a color guard and special drum and bagpipe band of Intermediate Girl Scouts. Following the flag ceremonies, the flame of the last two previous roundups was lighted again. A torch for the current roundup also was lighted. The program, held in the huge arena, was climaxed by a procession of 50 American flags.

At the Eau Claire roundup reported by Miss Ouchowski, the camp opened with a late afternoon swimming party by the lake, supervised by a troop campfire. The girls made friends by exchanging tokens representing the areas from which they came.

**Hearing Date Set**

Billie L. Robinson, 34, of 306 S. State street, Madison, was charged Wednesday with damaging property, criminal trespass to a vehicle and criminal trespass to property in a complaint signed by Marie Baugh of Granite City. He pleaded innocent and Police Magistrate Gasparovic scheduled a hearing for Aug. 14. Bond was set at \$750.

The men who are really busiest have the most leisure for everything.

## Hearing Aug. 4 On Man Who Struck Policeman

A hearing has been set for 11 a.m. Saturday, Aug. 4, for Gerald Myatt, 24, of 1937 Rhodes street, Madison, who was arrested at 1:55 a.m. July 18 at Buzz's Twelfth Street tavern, 12013 Madison avenue. He and a Granite City police officer were injured in the incident, it was learned today from Madison police.

Myatt was charged by Madison police with disorderly conduct and creating a disturbance. On the complaint of Albert Diak, he was charged with assault and passing a stop sign at Sixth street and Madison avenue.

Myatt said he struck Diak in the eye after off-duty Granite City police called to him that he had passed a stop sign while driving north on Madison avenue at Sixth street. Diak then hit Myatt in the mouth, the two told the Press-Record today.

Myatt alleges he was struck several other times by members of the group of four off-duty police. The officers deny this, saying it was necessary to hold Myatt both at the scene of the stop sign warning and at the 12th street tavern, where Myatt and a friend went a few minutes later and which the four officers also coincidentally visited. The police had attended a St. Louis baseball game and were at the 520 Club tavern before going to the other tavern; it was there they saw the stop sign violation.

National League umpire Henry (Shag) Crawford narrowly escaped death during World War II while serving in the Navy. He was on the destroyer Walker when it was hit by a Japanese plane during the Luzon invasion in January of 1944.

Wash those grates as soon as you use them so food particles do not have a chance to dry and adhere.

**Equipment Specialist Needed At Army Depot**  
The Granite City Engineer Depot is in need of an equipment specialist (machine tools). The entrance rate of pay is \$6435 a year with vacation, sick leave and other benefits.  
For information as to experience requirements, persons may contact the civilian personnel office of the Depot.

ADVERTISE — IT PAYS

**Marine Pfc. Spain In Radio Telegraph Course**  
Marine Pfc. Robert E. Spain, son of Mr. and Mrs. Clyde Spain, 2030 Madison avenue, is attending a radio telegraph operator's course at the Marine Corps Recruit Depot, San Diego, Calif.  
The 18-week course includes instruction in sending and receiving the Morse code, typing, operation of radio equipment and procedures in sending and receiving messages both in voice and code. The students' final examination consists of actual field employment of radio in addition to classroom testing.

## Local Jaycees Honored By Belleville Group

Granite City Jaycees were honored at a meeting last night in Belleville of the Belleville Junior Chamber of Commerce. The meeting was a first step in a better relations program among chapters of a 16-member district of Junior Chambers. A luncheon was held for the group following the meeting. Those attending from the local chapter were Bill Wyatt, Jerry McPherson, Frank Arbeiter,

Jack Range, Ed Bodnam, Doh Juergensen, Boyd Presley, Earl Dauter and Al Barnes III.

**Agriculture Dinner Plans Are Discussed**  
Plans for the Tri-Cities Chamber of Commerce 17th annual Business - Industry - Agriculture dinner were discussed last night at a meeting of the C. of C. agriculture committee. Chairman Howard W. Kaseberg said. The dinner is intended to promote good relations between businessmen on farm and businessmen in the Quad-Cities, he said. Local farmers and their wives will be guests of C. of C. businessmen and their wives at St. John United Church of Christ Wednesday, Sept. 19.

Subcommittee chairmen appointed were Otto H. Rostin, dinner arrangements, and Arthur F. Bunte, Irby V. Todd and Vasil Tarpoft, hospitality. Subcommittee members appointed were James C. Louis and Don Wozniak.  
When nuts are added to cauliflower cake batter, they must be very finely chopped, or they won't be evenly distributed.

# Local 461 Reports Some Restaurants Have Signed

Some restaurant owners have signed contracts with Cooks and Waitresses Union Local 461, which has been negotiating for a new contract over a two-month period, Mrs. Helen Peters, business representative for the union, said today. Five-cent hourly pay increases were given, she said.

The union last week reaffirmed an earlier strike vote after the Restaurant Owners' Association proposed that a five-cent hourly wage increase be delayed until after Jan. 1. The union earlier had asked for 10

cents. The old wage rates average about \$1.00 per hour for waitresses and \$1.28 for cooks. Mrs. Peters said meetings with the Restaurant Owners' Association were broken off last week, but the union has continued to negotiate with individual restaurant owners.

Local 461 represents about 200 employees in 45 local restaurants.

The squirrel seems to find its way back to its food cache by memory, but it also has a keen sense of smell.

## \*SOCIETY\*

### Hulseys To Observe 50th Year Quietly

Invitations for the golden wedding anniversary celebration of Mr. and Mrs. A. H. Hulsey, 2137 Pontoon road, which was to have been held Aug. 5, have been recalled. Plans for an open house observance have been canceled, due to the serious illness of Mr. Hulsey, a patient at St. Elizabeth Hospital suffering from a heart ailment.

The Hulseys were married in Granite City Aug. 1, 1912. Both are 69 years of age.

They have two daughters, Mrs. W. C. Smithers of Wilmette, Ill., and Mrs. Howard (Rosemary) Easden of Granite City, and one grandchild, Mrs. Jerry (Frances) Howell of Chicago.

Before retiring in 1938, Mr. Hulsey was employed by the American Steel Co. for 44 years. He also worked part-time at the Uzzell drugstore, and later at Canteche's for 20 years.

His condition is considered such that no visitors are allowed at the hospital.

**PASTOR, FAMILY RETURN**  
Rev. and Mrs. Paul Surbey and children, Janet and Paul Dean of Nameoki road have returned from a vacation of two weeks in the Missouri Ozarks. Rev. Surbey is pastor of St. John United Church of Christ.

MR. AND MRS. A. H. HULSEY, whose planned celebration in honor of their golden wedding has been canceled due to the serious illness of Mr. Hulsey. They are shown at the left at the time of their marriage and on the right in a recent photo.

### Welfare Group Receives Flag From Tent 92

The Protestant Welfare Association was presented with a large American flag Tuesday afternoon by Aunt Becky Young Tent 92, Daughters of Union Veterans of the Civil War, in a patriotic ceremony taking place at the Association office on Edison avenue.

The presentation was made by Mrs. Irma Taylor, past department president, assisted by Mrs. Louise Taylor, another member of the tent.

The flag was accepted by Mrs. Marie Whittle, executive secretary, and Mrs. Ida Hanfelter, a board member, on behalf of Protestant Welfare.

A bee is never as busy as it seems; it's just that it can't buzz any slower.

—Kin Hubbard

**ENGAGED**, Miss Jacqueline Nadine Gower, whose parents, Mr. and Mrs. Sam Venditto, 2919 Harding avenue, are announcing her betrothal to James L. Marcus, a son of Mr. and Mrs. Joke Marcus, 221 Ashbrook street, Venice. The wedding of the couple is scheduled for Aug. 17 at the First Presbyterian Church in Madison.

**RETURN FROM EAST**  
Mr. and Mrs. Fred LaCicero and their family, 2588 Boyle avenue, have returned from a vacation in the east. They visited LaCicero's mother in Seaside Heights, N. J., and celebrated their seventeenth wedding anniversary and the sixteenth birthday of their son, Frederick, on July 14. While away, they also were guests of LaCicero's brother and sister-in-law, Mr. and Mrs. Walter LaCicero, in Bayville, N. J., and were entertained by his brother-in-law and sister, Mr. and Mrs. Jack Carnies, at their home in Levittown, Pa., and at their summer home at Holly Lake Harbor near Tuckertown on the Atlantic coast. They were away 12 days.

1962

MRS. DWAIN HALL, a recent bride. Before her marriage July 14 at the Christian Church in Marshall, Mo., she was Miss Joyce Lynn Laxson, a daughter of Mr. and Mrs. Paul Laxson of Moshell, Mo. The bridegroom's parents are Mr. and Mrs. Elbert Cochran, 3005 Myrtle avenue.

**HALL-LAXSON MARRIAGE IS ANNOUNCED**  
Announcement is being made of the July 14 marriage in Marshall, Mo., of Miss Joyce Lynn Laxson, a daughter of Mr. and Mrs. Paul Laxson of Moshell, and Dwaun Hall, whose parents are Mr. and Mrs. Elbert Cochran, 3005 Myrtle avenue.

The ceremony was performed at the Christian Church, and the newlyweds plan to reside in Marshall, where the bridegroom will begin his junior year this fall at Missouri Valley College. The former Miss Laxson is a secretary in the offices of the F. M. Stamper Co.

**VISIT IN INDIANA**  
Mrs. Pearl Thomas of Benton street, and Mrs. Walter Schuetter of Edwardsville returned Monday from Delphi, Ind., where they spent several days with Mrs. Thomas' sister-in-law, Mrs. Herman Welland, and family.

**FOR COMPLETE WEDDING PHOTOGRAPHIC SERVICE**

**VISITING GRANDPARENTS**  
Mr. and Mrs. Rex Niles, 2921 Grand avenue, are entertaining their granddaughters, Diane and Lorrie Busboom of Lincoln, Neb. The children will remain for two weeks while their parents, Mr. and Mrs. C. W. Busboom, are vacationing in Florida.

### Fund Projects Discussed By Eagles' Auxiliary

A discussion on fund-raising to support national projects and local charities was held Tuesday evening at a meeting of the Eagles Auxiliary.

A communication was read from the Grand Auxiliary urging support of a financial campaign to assist the National Audubon Society in its effort to preserve the bald eagle, the national symbol, which is declining numerically at an alarming rate.

Mrs. Florida Batson, president, was in charge and Mrs. Mary Brominski, ways and means chairman, announced plans for a bake sale. Miss Sylvia Roy and Mrs. Marge Hall were appointed co-chairmen of a party. Dates of both events are to be announced later.

Mrs. Norma Hemken, chairman of Edwardsville sanatorium events, reported on a party given for 19 patients. She was assisted by Mrs. Dottie Schuppert and there were games, with prizes for the winners, followed by refreshments of cake baked by Mrs. Batson and Mrs. Helen Bregel.

"The Eaglesites," the Auxiliary kitchen band, has accepted an invitation to participate in the program for a zone rally to be held in Murphysboro, Ill., and at the "Gas Light Square" days here Friday and Saturday.

After the adjournment, refreshments were served and the prize winner for the evening was Mrs. Angie Buehler. The hospitality committee was composed of Mrs. Dolores Klesch and Mrs. Kathryn Clark. The next regular meeting will be Aug. 4.

### Party Held On Seventh Birthday

A birthday party was given Monday afternoon by Mr. and Mrs. John Cyamant, 38 Riviera drive, in honor of the seventh birthday of their daughter, Helon.

Guests attending were Beverly and Debbie Henkhaus, Regina Mennerick, Susan and Beth Ann Mobley, Rene Bailey, Annette and Mary Beth Favier, Bonnie Brown and the honoree.

The children took part in games and were served punch and cake, the birthday cake being adorned with a clown. Each child received a birthday hat and balloon.

FORMER RESIDENTS HERE  
Mrs. Marie Hill and Mrs. W. C. Marshall left Monday evening for their homes in San Antonio, Tex., after a month's visit with their cousins, Mrs. Mildred McFain, 3668 Nameoki road, Mrs. Fannie Greenman, 2839 Iowa street, and other relatives and friends. Former Granite Cityans, the visitors will be remembered as Miss Marie Massey and Miss Louise Massey.

**SEARS**  
EVERYTHING IN FENCING

MISS PHYLLIS COURTNEY, whose engagement to Bruce R. Smith is announced by her parents, Mr. and Mrs. Marion F. Courtney, 1938 Cleveland Blvd., the prospective bridegroom is a son of Mr. and Mrs. Walter Smith of St. Louis. The wedding date has been set for Aug. 25.

**ATTENDS CONFERENCE**  
Rev. Robert Baumann, pastor of St. Peter United Church of Christ, 21st street and Cleveland Blvd., has returned from Plymouth, Wis., where he attended a Social Action Conference at Lakeland College last week.

### GHCS Graduates

#### Here For Visit

Currently visiting in Granite City are Mr. and Mrs. Alfred S. Itterman, Winston-Salem, N. C., and their children, Janet, David, Mary, Bobby, Beth Anne and Billy.

They will leave for North Carolina tomorrow after two-week visits with their mothers, Mrs. William Gattung, 1644 Moro avenue, and Mrs. Ernest Itterman, 2828 State street.

Itterman is a 1939 GHCS graduate. His wife, the former Marie Gattung, graduated in 1942.

#### ATTEND CELEBRATION DURING VACATION TRIP

Mrs. Filomena Gruber and Mr. and Mrs. Adolph Gruber Jr. returned Monday from a vacation trip to Chicago. While away, the family attended a surprise celebration in honor of the twenty-fifth wedding anniversary of Mr. and Mrs. Frank Szazma, a brother and sister-in-law of Mrs. Filomena Gruber.

The affair, held at the YVFW hall, took place July 14, with approximately 80 relatives and friends attending. A Mass also was celebrated at St. John The Baptist Church in Winfield, Ill., on July 17, the actual date of the wedding, with Rt. Rev. Msgr. Cloos, who performed the marriage ceremony officiating. A breakfast followed at the home of Mr. and Mrs. Patrick Phelan in Warrenville, Ill.

#### ENTERTAINING GUESTS

Mr. and Mrs. O. D. Pinkston, 2035 Dewey avenue, have as their guest this week Mrs. Myrtle Morris and daughter, Carol, of Sacramento, Calif.

#### Pre-Wedding Parties Honor

Miss Barylske

Miss Jo Barylske, who will be a date summer bride, was honored this week at two pre-wedding parties.

On Monday evening, Mrs. Thomas Taff and Mrs. Mike Sikora, cousins of the bride-to-be, and her aunt, Mrs. Stanley Barylske, entertained guests at a miscellaneous shower at the YMCA.

A bridal theme was used, with a yellow and green color scheme prevailing in the appointments. After the gift packages were opened, the guests were entertained at games and a number of prizes were awarded.

Refreshments were served to Misses Sandra Skubish, Karen Bickel, Nancy Fleishman, Gloria Zlatz, Caroline Bunselmeyer and Judy Barylske, and Mesdames E. L. Ackerman, C. E. Townsend, Helen Meyer, Betty Coleman, Dorothy Hochuli, Frances Skubish, Dorothy Schilling, Andrew Hoffman, Gerry Mendez, Betty Arbetter, Sue Hamlet, Helen Douglas, Brenda Livingston, Ellen Kay Hoffsten, Leonard Bickel, Arlene Jackovich, Wanda Roginski, Earl Bunselmeyer, Walter Hundley, Mary DeHart, Steve Zlatz, Thomas Schiller, Martha Seebold, Margaret Barylske, Joyce Sikora, Ted Barylske, Frank Spohr, Frank Sturman, Cecil Dunlap, Pearl Greene and Wilbur Poole.

Another shower party for Miss Barylske was that given earlier by the family at the home of her parents, Mr. and Mrs. Ted Barylske, 3001 Pershing avenue. Present at the latter affair were Mesdames Mary Waltersam, Ray O'Beir, Regina Jackson, Marie Nemeth, Frances Henry, Ann Mehelie, Pete Obucina, Margaret Barylske, Ted Barylske, Kathryn Measki, Anne Brisky, Joe Crnkovich, Helen Ostlich, Elizabeth Star, Charles Keck, Vera Kriak, Marie McLean, Tony Dolosic, Jen Beasley, Kathryn Mih, Millie Dallas, Agnes Crnkovich, Mary Barro, Elizabeth Tholman, Louis Suchel, and daughter Kathy, Mary Horvath and daughter, Theresa, and the guest of honor.

Miss Barylske will be married Aug. 11 to Robert Bunselmeyer at the Old Cathedral in St. Louis.

FOLDING CHAIRS carried to ball diamonds and placed beneath conveniently located shade trees make fine "box seats" along third base line for parents, grandparents, brothers and sisters — chief supporters of young boys' teams.

Some arrive well in advance of game time, and grab choicest—and coolest—observation points. Most diamonds here are also equipped with behind-the-plate bleacher seats.

OUCH! Rather sudden contact between seat of the pants and dusty infield brings grimace to his face, but doesn't prevent exhibition of perfect basestealing form by member of Atom division team; youngest age group playing in supervised programs here.

He hooks bag with proper leg, protects face with upraised arm, and uses other arm to balance slide, proving that some local youngsters are being taught proper mechanics of baseball.

## 1300 Participants Make Boys' Baseball Programs Big Business Here

MOST CONCENTRATED AREA of baseball activity for boys here is five-diamond layout in Wilson Park, where youngsters learn fundamentals of the game through league competition every evening, Monday through Friday, Madison Khoury league, Nameeki Little league and Mitchell Boys' league also have well-maintained facilities.

Fifteen diamonds are available in the Quad-Cities for boys' league games, but there are still youngsters who would like to learn but cannot find managers, sponsors, coaches or playing space.

### Managers, Sponsors, Parents Are Behind 90 Active Teams

There are still a few parents who make the life of an umpire a miserable one, a manager here and there might just be accused of knowing little about the game, and the spotty prevalence of the "win at any cost" attitude (adult inspired). But on the whole, boys' baseball programs here are providing organized and wholesome recreation for youngsters seven through 17.

At least once a week, nearly all of the 1300 participants who are members of 90 teams playing in five age divisions in four separate programs take to one of the diamonds constructed expressly for their use in the Quad-Cities.

Organized sandlot baseball really began to come into its own here in the early 1950s when groups of interested adults, grasping the far-reaching potential of boys' baseball as both a healthy outlet for bottled-up energy and as a developer of physical and moral fiber, scraped together the necessary capital and either affiliated with national programs or organized their own. A few scattered diamonds have become 15, with the strong probability that more will be added. The need for them exists now, since it is estimated there are at least another 1300 youngsters for whom no facilities exist at present.

Much credit also is given to the business firms, churches and fraternal, labor and civic organizations which sponsor teams and, as a by-product, pick up the tab, which can run between \$150 and \$200 each season for uniforms, bats, equipment and baseballs.

Moral support is provided mainly by families and friends of the players, who follow their favorites regularly. And about 270 coaches and managers regularly donate their time and talents.

CRITICAL OBSERVERS on an open date for their teams, these boys watch Bantam division contest from behind protective backstop, and observe opposing pitchers, one of whom might be their opponent next week. Other boys must be content simply to watch; there just aren't enough diamonds to accommodate all those who would like to play organized baseball.

neighborhood and stop by a local may come away with the feeling boy's baseball diamond to watch that baseball is still the great — The next time you are in the a few innings, chances are you American pastime.

Granite City PRESS-RECORD Thurs., July 26, 1962

SIZING UP the opposing catcher (above), youngster steps into batter's box wearing deadpan expression typical of players in boys' league, who are great imitators of their older counterparts. But a big, extra-base hit to left field usually will bring players bounding from the bench (left) in varied and enthusiastic reaction.

PHYSICAL FITNESS THEORY gets a big boost from baseball programs, but most players—and their parents—ride to and from the ballparks, as

solid rows of parked autos along State street extension to adjacent Wilson Park show.

BOYS IN LOCAL PROGRAMS come in assorted sizes and shapes from seven to 17, but baggy pants don't prevent most of them from assuming attitudes and stances which appear near-professional.

## 70 GC Jr. Sports Jamboree Winners Among 600 Entered In State Finals

Approximately 600 youngsters from across Illinois will spend the next four weeks tuning up for the state finals of the Junior Sports Jamboree. They are the survivors from an original field of over 45,000 entries who began competition in swimming and track and field events early this summer, and won the right to represent their areas in one of eight sectional meets conducted last weekend.

One such sectional, held here last weekend produced 70 event winners, thus insuring good representation at the state finals from an area already known for its production of excellent high school track and field performers and just beginning to draw recognition for its swimmers.

An Amateur Athletic Union ruling prevented competition by swimmers from 12 of the original 15 communities planning to send entries here. This gave Granite City first place in all 15 events held. Two swimmers were scheduled but not held, and Granite City won the privilege of sending two contestants to the state finals in each.

### Finals In Sterling

Finals will be conducted at Sterling, Ill. Granite City swimmers found little competition from among entries from Olney and Plover, the latter expected to be extremely tough against swim entries from northern Illinois—particularly the Chicago area, where good advantage is made of year-round facilities.

All expenses at Sterling, including travel, will be paid for by the Jaycees and the Illinois Youth Commission, which sponsors the jamboree in an effort to boost physical fitness programs for youngsters in the 10 through-15 age group.

The 70 winners at the Granite City sectional will travel to Sterling by chartered bus, leaving here Aug. 23.

They come from nine different communities including, in addition to Granite City, Edwardsville, Collinsville, Wood River, Alton, East St. Louis, Troy, Centralia and Hillsboro.

In case first-place winners are unable to make the trip, runners-up may be substituted.

During their stay at Sterling the contestants will be able to participate in a free swim and clinics in track and swimming, and will march in a parade prior to the competition. Dormitories will be provided for lodging.

### Two In Track Finals

In addition to its sweep of swimming events, Granite City will be represented by two youngsters in track finals. They are Ed Melton, winner in the midwest boys' baseball tournament, and Tom Reynolds, who was first in the midwest boys' 50-yard dash.

Alton led communities in track and field competition, with eight Collinsville and Edwardsville followed with six each.

### Track Winners

Track and field event winners: 50-yard dash: midwest girls—Kay Aubrecht, Edwardsville; midwest boys—Tom Reynolds, Collinsville; junior boys—Paul Haskins, Edwardsville; inter-

mediate girls—Betty Wilson, Wood River; intermediate boys—Tom Keenan, Alton.

75-yard dash: midwest girls—Bobby Gates, Alton; junior girls—Maureen Rowley, E. St. Louis; junior boys—Glen Davis, Alton.

100-yard dash: intermediate girls—Nedra Offutt, Centralia; intermediate boys—Randy Robertson, Wood River.

200-yard relay: midwest boys—Bob Gates, George Doriow, Anthony Wallace and Ed Morris (Alton); midwest girls—Diavonna Killion, Troy Davenport, Melissa Chapman and Kay Aubrecht (Edwardsville); junior girls—Barbara Bruns, JoAnn Gilbert, Barbara Kurtz and Joan Dolbert (Collinsville); junior boys—Dwight Simmons, Curtis Sanders, Craig Mitchell and Lewis Mallett, E. St. Louis.

440-yard relay: intermediate girls—Judy Roschke, Jane Ullrich, Ellen Klavon, Barbara Fowler (Collinsville); intermediate boys—Carl Woodard, Al Dixon, Walter Scott and Charles Wyatt (Alton).

### Field Events

Broad jump: midwest girls—Betty Huber, Hillsboro; midwest boys—George Dowling, Alton; junior girls—JoAnn Gilbert, Collinsville; junior boys—Lewis Mallett, E. St. Louis; intermediate girls—Ellen Klavon, Belle Plaine; intermediate boys—Walter Scott, Alton.

Baseball throw: midwest girls—Kathleen Kummern, Collinsville; midwest boys—Ed Melton, GC; junior girls—Dan Freeman, Wood River; junior boys—Dan Kennedy, Alton; intermediate girls—Kay Krack, Wood River; intermediate boys—Joe Hiles, Collinsville.

High jump: junior boys—Terry Lockett, Wood River; intermediate girls—Vicki Abbe, Edwardsville; intermediate boys—Curtis Deal, Edwardsville.

### Swimming Winners

Swimming event winners, all from Granite City, were: 50-meter free style: midwest girls—Debra Berger; junior boys—no entry; junior girls—Carol Drue; intermediate boys—John Allen; intermediate girls—Pat Parker.

100-meter free style: junior boys—Jim Dunn; junior girls—Barbara Bickhaus; intermediate boys—John Allen; intermediate girls—Pat Parker.

50-meter backstroke: midwest girls—Gordon Quinn; midwest boys—no entry; junior girls—Clarence McKee; junior boys—Carol Drue; intermediate boys—Randy Thompson; intermediate girls—Karen Calvert.

200-meter relay: midwest boys—no entries (a team will be picked from among GC swimmers to represent sectional at state); midwest girls—no entries, same procedure to be followed; junior boys—Bob Malott, Peter Sablin, Jim Dunn and Mark Dufner; junior girls—Jane Dulleroff, Barbara Bickhaus, Gale Thompson and Pat Schmidt; intermediate boys—Randy Thompson, John Evenden, Kelly Hogan and Ron Valicoff; intermediate girls—Pat Parker, Cindy Zahn, Maggi Harlan and Claire Steinhauer.

## Alt-Wood Is Champion Of 35-Plus Loop

Alt-Wood Fuel claimed the title in the 35-Plus Loop Pitch softball league Monday night at Wilson Park by downing second place challenger Club Delmar 7-6 on 21st street.

Both teams having only three games remaining.

Trust Bank moved past Club Delmar to second place by defeating VFW Post 1300 by a 12-6 score in the second game, then turning on Club Delmar in a third contest, the makeup of a rained-out game earlier 11-1.

### Honors Declared

Ketter's solo home run in the seventh inning of the first game was Alt-Wood's margin of victory. McCormick had hit one solo lemmie on base the previous inning. Paul Thompson was the winner, Harold Schmitz was the loser. Each team scored three runs in the first inning.

Trust Bank, with Andy Micklosky homering in the fifth and John Allen collecting three hits, including a pair of doubles, took the lead in the final inning of the second game with VFW.

The Veterans rallied for five runs before winning pitcher, Nick Pettrillo, who was touched for 11 runs in five innings, was the losing pitcher.

In the makeup game, Trust Bank put together a four-run frame in all but the first inning, and wrapped up the win over Club Delmar with a five-run seventh. Club Delmar scored its only run in the third. Steve Hardsley was the winning pitcher, and Ray Lowell the loser.

### 35-Plus Standings

Team	W	L	Pct.
Alt-Wood Fuel	4	5	.440
Trust Bank	4	5	.444
Club Delmar	3	6	.333
VFW Post 1300	2	7	.222

### Four High Rollers

High rollers in the Granite City park district girls' summer bowling program at Big Top Bowl Monday were Pat Kavula 158, Sharon Koch and Betty Moser 155, and Carolyn Hensley 143.

### Grid Reminders: Get Physicals

Head football Coach Al Lewis has sent out 141 letters to prospective players at Granite City high school, urging them to get physical checkups and make insurance payments in advance of equipment issue, which will begin Aug. 20.

"Any sophomore, junior or senior who doesn't get a letter, regardless of whether he played football last year or not, should get in touch with me if he would like to come out for the team this fall," Lewis said.

GCIS football practice will begin under the new head coach on Aug. 22.

### Baseball Fundamentals School For Boys At 47

A baseball fundamentals school for boys ages eight through 12 will begin next Monday, July 30, at the YMCA, according to Ed Diant of the physical department, who will serve as course instructor.

Principles of batting, throwing and rules of the game will be featured in the indoor sessions, set for 9:30 to 10:30 a.m. Monday through Thursday. A 75-cent registration fee is required, and boys should bring their own baseball gloves.

The first class victory for retired jockey Eddie Arcaro came early in 1953 at the New Orleans Fair Grounds. He won the Panchraton Handicap with Playtime.

### Clock Golf Tournament Winners On Playgrounds

Clock golf, out in a circular course, was played at the various "hours" was the tournament feature at the various playground locations in boys' and girls' division, announced this week's division.

Niedringhaus — Butch Creek Billy Rader, Bobby Lachner, Gaylene Roberts, Judy Conraux and Laura Massie; Nemoedi — Carl Herzog, Steve Hilleman, Chuck Hilleman, Patty Dole, Debbie Hightower and Linda Edington; McKinley — Leslie Nyberg, Kathy Olfert, Susan Dotti, Bill Champion, Dan Monken and Tim Hobbs.

Wilson — James Drury, Barbara Barty, Ronald Howard, Phyllis Francis, Ricky Thompson and Sharon Asari.

Marshall — George Bilyeu, Gary Ruppel, Mike Higgins, Darrell Willis, Donna Kelahan and Bill Stumpert; Lincoln Place — John Bob, Mike McGovern, Debbie McKee, Rebecca Alvarado, Harold Thomas, Ellen Boddy, Logan — Nancy Hawkins, Elaine Travis, Paul Skaggs and Ronnie Donaldson.

In a special event conducted at Niedringhaus school, Laura Massie, Ed Brewer and Stephen Krause were judged the winners in a pet show.

Deer Hunting Permits Available At City Hall

Prospective deer hunters may obtain deer hunting permits at the office of City Clerk A. L. Stevens rather than writing to Springfield for them.

On hand at the city clerk's office are application forms and information on hunting regulations. Forms must be filled out and returned with a \$5 fee to the Department of Conservation in Springfield.

The season for shotgun hunting is Nov. 30 and Dec. 1-5 and for bow-and-arrow hunting Nov. 15-26 and Dec. 6-31. Shotgun hunting hours are 6:30 a.m.-4 p.m. CST and bow-and-arrow hours are one-half hour before sunrise to 4 p.m. CST.

## First Doubleheaders Of I-C Season Sunday For Sacred Heart, Mercer

That time of year has arrived when depth of pitching and stamina can tip the scales in favor of a select few members of the Northwestern Illinois Inter-City Baseball League.

Beginning Sunday, the league rolls out a schedule of doubleheaders which are being played to make up games rained out earlier in the year. Granite City's two representatives, Mercer Funeral Home and the Sacred Heart, are involved in two of the three twin-bills scheduled this weekend.

The Hearts, who may be excused for gloating over a 7-3 defeat of Moose Club last week, are scheduled for two games at Fletcher Field in Collinsville against the Boosters.

Mercer will play two contests at home in Wilson Park with Roxana furnishing the opposition. Sunday doubleheaders start 1½ hours earlier than single games, or at 1 p.m.

"Get Well" Opportunities

In both instances, the local clubs have been watched with interest here, since the Sox trail Sacred Heart by only half a game, and Mercer is one of

The second-place Hearts only two games out of first place on the loss side in the Red division, will be going against a Collinsville club which has lost 10 straight, including a forfeit setback last Sunday since winning its first two games of the season. One of those losses was to the Hearts by a 6-5 score.

Mercer, which fell to third place in the Blue division following a 4-0 loss to Mercer last week, could pick up valuable ground on the Glassmen and Pochontas with a sweep of Sunday afternoon activity here against the Merchants, who only win this year was a 5-4 July 4 decision over Troy. The Merchants have dropped 12 games, including a 6-0 loss to Mercer, and are hopelessly mired in last place in the Blue division.

8rd Twin-Bill Important

Sunday's third doubleheader is at Maryville, where the Red Sox will play host to McAttee. Those games will be watched with interest here, since the Sox trail Sacred Heart by only half a game, and Mercer is one of

### RED DIVISION

Carpenter at Pochontas, 2:30 p.m.

## Boat Owners Speak A Language All Their Own

(Teeth of a series)

If words like beam, gunwale, starboard, skeg and aft confuse you as you page through boating manuals, you are not alone. Boat owners speak a language all their own, and many of the terms are not found in standard dictionaries.

They're all a part of the nautical jargon that has for centuries bewildered not only landlubbers but also many men of the sea.

Confusing though it is, the nautical language is rich in tradition. The possibility of seeing it streamlined is remote indeed.

Seasoned skippers take great pride in being able to speak the lingo fluently, often to the bewilderment of their landlocked friends. If you wish to appear in the know when talking with veteran seamen, you may want to start picking up some of these terms.

Actually, it's a lot of fun to learn and use them.

Keel — Boat's backbone, extending from stem to stern.

Knot — A measure of marine speed; a nautical mile (2026 feet) per hour.

Not A Window

Transom — The part of the boat on which the outboard motor is mounted.

Log — Boat's record book.

Port — Left side of boat when looking to the bow.

Starboard — Right side of boat when looking to the bow.

Stem — More or less vertical timber at the bow.

Topsides — Sides of hull above water.

Underway — A boat is underway when moving through the water.

## Key To City For Retiring GC Alderman

Third Ward Alderman Arthur Wierzer, resigned from the city council Monday. Wierzer announced he would earlier in the day. He will receive a key to the city as a memento of his five and a quarter years of service on the Granite City council. The presentation of the key by Mayor David W. Davis was authorized in a voice vote of the council after Davis expressed reluctance. Pointing out that all those leaving city service receive certificates, the mayor stated he was used to making presentations to state and national officials, lest the practice become too frequent and costly.

Wierzer said that while some aspects of his council efforts had been pleasurable and others not so pleasurable, he regards it in general as a worthwhile experience.

The other Third Ward alderman, Rufus LeMaster expressed regret at Wiezer's departure. Alderman Donald Partney said that while he and Wiezer did not always agree, he respected the retiring alderman as a "free thinker" unafraid to express his

In proposing the key to the city for Wlezer, Alderman Charles Meyer said it had been a pleasure to serve on the same council with Wlezer. Wlezer said he and his family had moved to Belleville, but he hopes to return here for visits often.

### Colgate Block Party

The council granted permission to residents of Colgate place to hold a block party Saturday evening, Sept. 8. The party will last from 7 o'clock until midnight, and the street and police departments will cooperate by blocking off the street to through traffic.

At the suggestion of Alderman Meyer, the council agreed to have "Colgate street" signs replaced with "Colgate place" signs, at the expense of the subdivision.

back of informational meetings of the Oct. 2 drainage-pollution abatement election in Granite City during recent days was cited at Monday night's council meeting by Alderman Edmond Bastosak. Bastosak observed that one of the reasons given for not holding the referendum until early October was that time was needed for meetings at which the drainage program would be explained. "I have a lot of people" interest in attending meetings on the drainage election, he said, "but that meeting dates are not announced."

## Plan Senior Citizens' Trip To State Fair

Senior citizens' trip to the Illinois State Fair at Springfield will be sponsored again this year by the Golden Age Club of Kirtland. Patrick Homes, with reservations now being accepted.

The trip will be made Aug. 17, with departure from the Kirtland Patrick Homes recreation hall at 8 a.m. Deadline for reservations is Aug. 5. Reservations should be made with Ben Olive, TR-5749.

Cost of the trip is \$2 a person, with each individual to pay his own admission price at the fairgrounds.

Other senior citizens in the community are being invited to take the trip. David W. Morgan, Granite City Housing Authority executive director, said, "Fifty-two persons made such a trip last year."

### 3 Instructors Are Hired In GC

Three instructors were hired for the 1962-63 school year by the Granite City school district Tuesday evening.

Two resignations were accepted by the board, and two individuals were hired on a temporary basis.

Two mathematics teachers and a string instrument and band instructor, all for Granite City high school, were employed. The mathematics teachers are Russell Leon Chappell, 23, Wood River, with a bachelor of science degree from the University of Illinois and one-and-a-half years of experience; and Stephen R. Radesevich, 30, Collinsville, with a bachelor of arts degree from Southern Illinois University and one year's experience.

Teaching string and band will be Miss Nancy Elizabeth McBrien, 22, Springfield, with a bachelor of science degree from Illinois State Normal University and teaching experience of an hour daily for one year.

Also approved was the hiring of a carpenter for 25 days to complete board-approved projects.

Resignations were accepted from Mrs. Frieda Andrews, a secretary at the central administrative office, who cited family responsibilities, and from Miss Helen Pettigrew, a counselor at Coolidge junior high school.

Temporary hiring of Mrs. Andrews, on a three-days-a-week or "as needed" basis until a replacement is secured, was approved.

## Heart Attack Fatal To Mrs. Lorene Allen, 61

Mrs. Lorene Allen, 61, of 2602 Cayuga street died at 4:30 a.m. yesterday at St. Elizabeth Hospital following an apparent heart attack. She had been at the hospital an hour.

Survivors include two sons, James M. and Otis O. Allen, both of Granite City; two daughters, Mrs. Donald (Anna Belle) Adams of Granite City and Mrs. Bruce (Pearline) Brishin of St. Louis; three sisters, Mrs. Thelma Wright of Granite City, Mrs. Grace Thomas of Madisonville, Ky. and Mrs. Myrtle Owens of San Francisco, Calif.; a brother, Lloyd Fugate of Madisonville; and four grandchildren.

Funeral arrangements are given in the obituary column.

PRACTICING THEIR JAPANESE are students Miss Rosa Martinez (second from left) and Roger Bloodworth (right). Instructor Russell Brown (left) looks on as they write Japanese characters at a meeting of his YMCA Japanese conversation course. Miss Martinez, Mexico City, plans to teach a YMCA Spanish conversation course here, and Bloodworth is a student in a YMCA judo course as well as the Japanese class.

#### Same Teacher Starting French Class

### Quad-Cityans Learning To Speak Japanese In 'Y' Course

You may not care to make out your laundry ticket in Japanese, but several Quad-Cityans have learned how at the initial meetings of a Japanese conversation class.

They are participating in a course meeting weekly at 7 p.m. Wednesday at the local YMCA. There is no charge, and classes will continue for an indefinite time. However, interest was so great and the students' progress so fast that enrollment has been closed.

Material covered in the course will be sufficient for tourist proficiency in the language, the instructor, Russell Brown, says. He expects to include a 200-word vocabulary and to teach common

expressions and how to ask directions, order food, tell time and count in Japanese.

**76-Symbol Alphabet**  
Students will cover the Hira-kana system of writing using an alphabet of 76 Japanese symbols, each standing for a complete syllable rather than a single sound. By using it they will be able to write any word they can pronounce.

They also will be introduced to the Kanji system, which uses characters of Chinese origin. In this system, sounds and words have no direct relation—each symbol must be memorized for its meaning.

Teaching the course is a Press-Record reporter-photographer who spent several years in Japan.

Brown's first contact with Japanese was in an Air Force short course on Okinawa in 1949. Following his Air Force discharge in 1954, he took two

semesters' work in Japanese at the American Action of Asian Studies, San Francisco, and also a Japanese short course at a San Francisco YMCA.

**Air Force Service**  
During his three-and-a-half years in Japan, starting in 1949, Brown served as an Air Force public relations officer. He ran a press center, writing news releases and arranging interviews and accommodations for American civilian correspondents.

The present enrollment of about 15 includes several students enrolled in a YMCA judo course, as well as a Spanish girl who plans to teach a YMCA Spanish conversation course.

Judo terminology is entirely in Japanese, Brown notes, and the judo students hope to understand the sport better through basic knowledge of the language. Few foreigners attempt to learn Japanese, he says, and Japanese people are quite willing to help those who try.

**Easy, But Difficult**  
Elementary conversational Japanese is no more difficult to learn than a Western language such as French, he believes. In more elaborate forms, it is one of the most difficult languages in the world. This has not kept Japanese culture from influencing the West in architecture and items of dress and food, he points out.

A native of Detroit, Brown spent three-and-a-half years in the British Navy and Canadian Air Force prior to his Japanese service.

Since his 1954 discharge, he has done reportorial work for Illinois and Michigan newspapers. He holds a bachelor of arts degree in journalism from San Francisco State College.

What does he do in his spare time? Why, teach French. A group which will meet weekly to learn that language met with Brown Monday night at the YMCA for the first lesson.

### Ban On GC Outdoor Privies Placed On First Reading

An ordinance banning outdoor houses in the city of Granite City was placed on first reading Monday night in a 14-0 council vote. Alderman Edzell von Schnaitter was absent and Alderman Sam Whitmer had left the meeting when the vote took place.

Prepared by City Attorney John Githoff and read by Alderman Mrs. Gabrielle Beltrine, the ordinance allowed 180 days for removal of all existing privies and sealing up of any sewers leading to them. Requirements for restroom facilities, including heating and pressurized flush systems, were outlined.

Fines of \$10 to \$200 for each violation were listed. Where no privies are available, septic tanks were authorized in the proposed new law.

Alderman Edmond Bartosik said it is a "good ordinance," but opposed its application to the newly-annexed North Granite area, where he said many retired elderly people living on small pensions are located. He said the change would cost them \$150 and added that this is too great an expense to impose on them.

Alderman Ford Johnson said he believes the city has an ordinance banning septic tanks and cesspools within the city limits.

Alderman Donald Partney strongly urged that no exception be made for North Granite. Noting that the North Granite area is in his ward, Partney said there is a health hazard, including the section of North Granite which had been in the city for many years. When there is flooding from rain, children play in knee-deep water that includes overflow from septic tanks, Partney said.

**Debate Bank Sign**  
Granite City's two Seventh Ward aldermen made opposing recommendations to the city council Monday night in regard to the American National Bank's proposed advertising sign near the intersection of Iowa Street and Namekoi Road.

Further discussion and a decision on the matter were deferred automatically under a council rule when Alderman Joseph Cuvar and Edmond Bartosik requested a deferral. Any two aldermen can block action and debate by the council on a specific issue until a later meeting by submitting deferral requests.

Voted down at a meeting earlier this month, the sign proposal was revived by Mrs. Beltrine, who said she had visited the site with Street Supt. William War-

### Mrs. Betty Glunt Dies At 37; Former Resident

Mrs. Betty Lois Glunt, 37, of 51, Wildwood lane, Kirkwood, Mo., died at her home at 10:40 a.m. Tuesday. She had been ill with a malignancy for several years.

Mrs. Glunt was the former Miss Betty Young, who was born in Granite City and was a resident here until moving to Kirkwood in 1956. She was a graduate of Granite City high school. Survivors include her husband, Perry Gordon Glunt, and three sons, David, John and James Glunt, all of Kirkwood.

Funeral services were conducted this afternoon at a Kirkwood funeral home, with burial in Sunset Hill Cemetery. An obituary notice appears elsewhere in this issue.

**Select Name For Son**  
Phillip Anthony is the name given by Mr. and Mrs. Paul Smith, 2439 Edison avenue, to their son born July 20 at St. Elizabeth Hospital. The infant, whose weight was six pounds, 12 ounces, has a sister, Lisa, 18 months old.

### Charles Patosian, 66, Succumbs At Hospital

Charles Patosian, 66, died Monday at Incarnate Word Hospital, St. Louis. He had been ill and hospitalized for one month. His home was at 1837 Poplar street.

Mr. Patosian, a Granite City resident, 27 years, was retired from a cleaning business in St. Louis. He held membership in the Armenian Relief Federation.

He is survived by his wife, Margaret, and a sister, Mrs. Surma Hagopian, Phoenix, Ariz.

Services were held this afternoon at St. Gregory's Armenian Apostolic Church, 1732 Maple street. Further information is given in the obituary column.

### Lengthy Bridge

Sunshine Skyway, connecting the Florida cities of St. Petersburg, Palm Beach, Bradenton and Sarasota, stretches across 11 miles of open water where Tampa Bay meets the Gulf of Mexico.

### Mitchell Kiwanians Hear Water System Report

Mitchell Kiwanis club members heard a progress report on installation of the Mitchell water system at a regular dinner meeting Monday evening at Smith's cafe.

Lines have been completed, and meters are being installed as fast as possible, Lee Paul of the Mitchell public water district told the 13 members present. The district insists that someone representing the property be present when meters are installed.

An amendment to the Kiwanis constitution, creating an international relations committee, was placed on first reading.

Prize winners in the city's deal sale will be honored at the club's July 30 dinner meeting. Parents of the winners will be notified in advance.

The cheetah, having been clocked at 84 miles an hour, is said to be world's fastest land animal.

**NEW VENICE CITY GARAGE** moves a step nearer reality as construction workers guide the unloading chute of a concrete truck to fill foundation forms. The excavated area will be the location of a police pistol range, with office space overhead. Work in recent days has moved forward rapidly at the garage site, which is on Klein street just south of the Merchants Bridge highline.  
 Press-Record Staff Photographer

**Study Dental Equipment For Use At Hospital**  
 One of the first steps toward a possible dental division at St. Elizabeth Hospital will be taken today when a small boy undergoes dental restorative work using borrowed equipment from St. Louis.  
 Tony Johnson, three and a half, son of Mr. and Mrs. Alfred Johnson, 2913 Dale avenue, was to enter the hospital for the work to be performed by a Granite City dentist, Dr. Albert Triant.

In this case, the task, basically, will be restoration of several decayed primary teeth. If they were not protected, he would have nothing to chew with until his permanent teeth erupt at the age of 12 to 14, it was explained. While the hospital has allotted space for a dental section, as yet it does not have all of the specialized equipment necessary for such work. A St. Louis dental supply firm has loaned the equipment to the hospital for today.

The administration is interested in viewing the environment in operation, with the possibility of acquiring similar facilities in the future, Dr. Triant said. Some of the small cannot hams (three pounds and under) do not need to be refrigerated until they are opened, but after that refrigeration is imperative.

**Mathis Rites Conducted; Wife Former Resident**  
 Funeral services were conducted Tuesday evening at an East St. Louis funeral home for Jimmie P. Mathis, 22, of 516 Avery Hills, Belleville. His wife is the former Sherrian Cumbee, formerly of Granite City.

Mathis died at St. Mary's Hospital, East St. Louis, Monday of a self-inflicted gunshot wound in the head. Police said he was driving on an East St. Louis street with a cousin, Miss Joyce Smith, when he placed a pistol to his head and fired.

Following Tuesday's services, he was taken to Bethlehem, Ky., for additional services and burial.  
 Survivors, in addition to his wife, include two children, George and Cynthia Jo; his mother, Mrs. Louise Bortschler of Jennings, Mo.; two sisters, Mrs. Barbara Wood and Miss Shirley Mathis of Jennings, and two brothers, Billie of East St. Louis and Robert of Hollywood, Calif.

**Case Under Advisement**  
 James M. Barnes, 22, of 2250 Edison avenue pleaded guilty to indecent exposure Monday. He was arrested on the complaint of a Granite City woman. Police Magistrate Gasparovic took the case under advisement until Aug. 6, and Barnes was released on \$1000 property bond.

## Farm Column

By THUMAN W. MAY  
Madison County Farm Adviser

As Madison county observes its sesquicentennial this year, the U.S. Department of Agriculture is observing its centennial. Madison county was already 50 years old when the department was established.

The Battle of Shiloh was less than two months old, the Second Battle of Bull Run would shortly be fought, when President Lincoln took time during the Civil War to establish the U. S. Department of Agriculture. The date was May 15, 1882.

The 1962 Yearbook of Agriculture, "After a Hundred Years," was issued on May 15.

The volume, which is considered the Centennial Yearbook, explores in depth the backgrounds of today's agricultural revolution, the new methods and tools of research, the problems of farm income, the growth of the Department of Agriculture and land-grant institutions, and changes in the living. Its focus is on people in country and city and what modern agriculture means to them.

706 photographs help make the yearbook one of the most attractive issued to date.

The yearbook is a Congressional document prepared in the department and published under direct Congressional authorization. Copies are distributed mainly by Members of Congress. It is also sold by the Superintendent of Documents, Government Printing Office, Washington 25, D. C., at \$3 a copy. The Department has no copies for general distribution. You might write your Congressman for a copy.

At the vegetable growers' meeting at the farm of William Bruns and son, Homer, in Nanticoke township last week, the growers saw 33 varieties of sweet corn in a variety test plot grown in cooperation with the horticulture department of the University of Illinois.

A new variety called Duet appears to be outstanding for the home garden. Julie is another new one that looks good. Silver Queen, a new white sweet corn, was excellent in all respects, with unusually good flavor. The better known commercial varieties, such as Victory Golden, Golden Sonata and Golden Nugget, were up to their previous high standards.

Several new varieties, identified as yet only by number, being developed by the University of Illinois, look very promising.

Wiltling and dying of tomatoes is being reported by many gardeners. Much of the trouble is due to fusarium and verticillium wilt. There are some new varieties resistant to fusarium that should be grown next year, but none have shown resistance to verticillium so far. Fortunately, the fusarium seems to be more common.

Spraying with recommended chemicals will still do some good in preventing the wilt from spreading to foliage not yet affected. Directions can be obtained at the farm adviser's office.

The annual picnic of the Vegetable Growers' Association will be held at the association hall near Caseyville Aug. 12. The public is invited.

This is Fair Week, with the annual Madison county fair in progress at Highland through Saturday. Here is a fine chance for you to see a lot of good livestock and other exhibits. An outstanding program is presented in the arena each evening.

Inspect cattle on pasture frequently for foot rot, pink eye and screwworms. Treatment is simpler and less expensive when started early.

Warm weather and high humidity have increased flies on dairy and livestock farms. More dairymen are using residual sprays, like diazinon and ronnel with good results. Face flies on cattle are increasing. DDVP sirup bait is brushed on the foreheads of dairy cattle each morning or can be diluted and sprayed on. For beef cattle, use backrubbers charged with toxaphene. Do not use toxaphene on dairy cattle.

Don't use DDVP sirup baits left over from last year for face flies. They are ineffective and attract more flies to the animals.

The Illinois Swine Producers Association plans 10 field days and sales during August and September. A field day will be held at the Southwestern test station at Mascoutah the afternoon of Aug. 23 and sale at the station the evening of Sept. 21. Verlan Heberer of Belleville and Ray Paukett of Mascoutah are in charge.

At the feeding stations, feed records make it possible to determine which hogs make the fastest gains on the least feed. Slaughtering tests help determine which animals produce the

Granite City PRESS-RECORD  
Page 34 Thurs., July 26, 1962

most desirable meat-type carcasses. Through production of improved meat-type hogs, these producers hope to encourage more consumer demand for quality pork products.

The spring pig crop report shows that farmers cut production 2%. The cut insures good prices for hogs during the next six or eight months, if consumption holds up.

Back to the Centennial observance again, great changes have occurred in agriculture in the past 100 years, of course, with most of the progress made in more recent years.

Farm labor used for crop production has decreased more than 60% in the past 40 years, according to University of Illinois cost studies on central Illinois, just as old Dobbin stepped aside for tractors before world war II. Larger tractors have displaced smaller units since the war.

Improved methods of growing and harvesting have cut the man hours used to produce an acre of corn to one-third of the time needed in 1920.

While man-hours per acre have decreased, yields per acre are increasing. This has tipped the farm market card in favor of fewer hours per bushel. Today only one-fifth as much time is

Hearing Set For July 30

David Michael Hart, 18, of 1619 Delmar avenue, pleaded innocent Monday to fighting and creating a disturbance. Police Magistrate Gasparovic set a hearing for July 30. The youth's \$32 cash bail was continued. He was arrested July 21 along with a Granite City boy, 16, for fighting in a Granite City pool hall. The youth was referred Monday to juvenile authorities.

required to produce a bushel of corn as was needed in 1920.

The use of larger power-driven machinery and shifts toward reduced tillage practices account for the recent reduction in labor and tractor hours. Grain crops lead hay crops in the labor efficiency increase.

Increased yields and labor-saving machinery make it possible to produce crops at lower cost. But farmers must be able to plow back profits to pay for labor-saving machinery. These labor-efficient machines release man hours which must be gainfully employed for maximum family earnings.

The small farmer with limited capital will find it increasingly difficult to compete with efficient mechanized farming operations.

One can always trust to time. Insert a wedge of time, and nearly everything straightens itself out.

— Norman Douglas

#### Youth Caravan At Hope Lutheran This Week

A touring Youth Caravan team of three teenagers, sponsored by the Walther League International youth organization, is the guest of the Hope Lutheran Church in Granite City to aid in the local congregation's youth programs.

The team, part of the official youth program of the Lutheran Church, Missouri Synod, will teach leadership techniques, assist in service projects and hold recreational and fellowship sessions during its week's stay, ending Sunday.

Members of the team, which has received special training in youth work at Concordia Senior College, Fort Wayne, Ind., are Miss Betty Langford, New Orleans, La.; Victor Willmann, Kingsbury, Tex.; and Miss Norma Wehrhach, Columbia, S. D. A five-point program of the Walther League—worship, education, fellowship, service and recreation—will be explained at the local church.

## No Beauty Contest! 38 Area Scouts Camp At Homecoming In Venice Aug. 17-19

No beauty contest is planned this year, but a full range of other activity will be featured at the 15th annual Venice Homecoming and Memorial Association, leading the advance preparations for a mammoth three-day festival which will include wide varieties of refreshments and rides.

Activity will begin at 4:30 p.m. Friday, Aug. 17, and at 1 p.m. the following two days. Attractions will be open until midnight all three nights.

A children's matinee will be observed Sunday, Aug. 19, with special prices.

Entertainment is being arranged for all three days. Details are not yet firm, however.

**Expect To End Debt**  
Secretary William M. Eberhardt said this week the immediate goal of the association will be realized this year.

The half-block of revenue-producing association property on Broadway will be paid off in present, \$1100 is owed.

Several possible developments have been under consideration for the future. Among them, a war memorial and a recreational facility, but the plans are not definite. "Our immediate job is to clear the property," he explained.

#### State Charter Issued For Footwear Company

A charter has been issued to Lancos Shoe Co., 1844 State street, by Illinois Secretary of State Charles F. Carpenter. The company is authorized to manufacture, buy, sell, distribute and generally deal in shoes and footwear of every kind, and to conduct a general jobbing, merchandise and mercantile business. Two hundred shares of common stock at par value of \$100 were issued to Louis Cohen, Ann Cohen, Bernard Landau and others.

Three Granite City Boy Scout troops have sent 28 scouts to Camp Sunnen, Potosi, Mo., this week for a week's camping. Area troops are Wilson school PTA Troop 122, Union Star and Refining Co. Troop Five and Sacred Heart Holy Name Society Troop 18.

Troop 122 scouts, accompanied by leaders John Nelson and Clifton Smith, are Phillip Melson, Mace Rodgers, Mike Veizen, Dick Smith, Tom Hewlett, Robert Young, Larry Harris, Rex Buzan, Glen Loar, Tony George and Tom Harris.

Accompanying Troop 18 and Troop Five scouts are Louis Vrenick, Primo Caschia, Leo Konkel and Pat Murphy. Troop 18 scouts are: Paul Biason, Linus Helrich, Mark Helrich, Paul Helrich, Jeffery Hoelter, Dennis Howie, Ronald Jansen, Ervin Konkel, Richard Loyet, Richard Nolan, Charles Murphy, Larry Nolan, Walter Puryear, Terry Pierce, Michael Richardson, James Rotter, David Saltich, Walter Schmidt, Daniel Stack, Frank Vivod, Eugene Vrenick, Erik Wiehardt and Vincent Wiehardt.

Troop Five scouts are David Matosian, Leo Nighobossian, David Palovick and Harold Skalsky. They will be joined by Edwardsville Troop 32 and Post 74 and Collinsville Post 78.

#### Local Army Reservist Completes Training

Army Reserve Pfc. William G. Szedlar, 19, son of Mr. and Mrs. William A. Szedlar, 1109 Twenty-fourth street, completed two weeks of annual active duty training at Fort Eustis, Va., this month.

Szedlar is regularly assigned as a machinist with the 225th Transportation Detachment, an Army Reserve unit, in St. Louis. He graduated from Granite City high school in 1960.

# STAMP OUT PLUG-UGLIES!

## Symptom of inadequate wiring

Plug-uglies happen when electric wall outlets are too few, too far between.

Plug-uglies mean overloaded circuits, blown fuses.

Plug-uglies hurt the resale value of your property.

Plug-uglies mean your electric appliances are being starved for electric power.

So stamp out plug-uglies in your home!

The addition of new electric outlets, and perhaps another circuit, by a qualified electric contractor is a good investment for you—gladly financed, on an easy payment plan, by any bank or savings & loan.

AUTHORS INSPECT THEIR HANDWORK. James Patrick Gardner (right), whose parents live at 2873 Ralph street, looks over the book, "Basic Astronautics," with his co-authors at the George C. Marshall Space Flight Center, Huntsville, Ala. On the left is Mitchell R. Sharpe Jr., and at center is Frederick I. Ordway III. They also are space researchers.

### Former Resident Author Of Astronautics Book

James Patrick Gardner, a former resident of Granite City, is the co-author of a text book, "Basic Astronautics," which has been published by Prentice-Hall of New York.

He is the co-author of another book, "Applied Astronautics," and has helped in the design of several rocket vehicles.

Gardner, his wife, Alice, and their son, Jimmy, live at 2208 Glen Iris road, Huntsville, Ala.

COMMEMORATIVE GIRL SCOUT STAMP (reproduced at lower left) is purchased at main Granite City post office Wednesday by Granite City Girl Scouts (left to right) Linda Evans and Roberta Marcus and Brownie Stephanie Miller. Release of the new issue was timed to coincide with observance of the 50th anniversary of founding of the Girl Scouts. The girls made the purchase from Postmaster Theodore Overbeck (center) and Oliver Corzine, postal clerk.

By Edward Collier

Let your taste buds be a part of the fun of your Magic Circle auto explorations through Eastern U.S.A. Countless local delicacies that should be sampled along with scenery and history include: Maine's glorious lobster; New Hampshire's fried turnovers; Vermont's maple sugar desserts; Massachusetts' clam chowder; baked beans and Boston Cream Pie; and Rhode Island's and Connecticut's oyster pie and clam pie.

New Jersey proffers Hickory-berry Cake and Salt Water Taffy; Pennsylvania's yeast-baked wheat cakes and Shanty Pie; Delaware's festive "Brandywine Punch" and Shad Roe Croquettes; Maryland's oyster fritters and Terrapin; Illinois' precede West Virginia's unique preserves in custard and peanut brittle.

Ohio's tasty mystery is Cincinnati "Chicken"; Indiana has titillating pumpkin chignon pie and Michigan, frogs' legs and smelts. Unsurpassed are Wisconsin's cheeses and roast goose, Illinois' Whitefish and Prairie Chicken, Kentucky's pheasant with ham and Squirrel Pie, Tennessee's brown trout and Hog Jowl, Arkansas' stuffed possum and wild huckleberry pie.

Tops in Louisiana are Crawfish Etouffee, Gumbo, and roast stuffed little pig. Alabama's crab-meat-stuffed peppers share fame with Florida's pompano and Bimini Stone Crab, Georgia's peanutfish and shrimp plant, and South Carolina's deep-dish venison pie and Shrimp Plant. And for more gourmet discovery try North Carolina's boned hog's head and feet and Scuppernon (grape) Pie, and Virginia's baked ham and Martha Washington Cake.

### Gems Of Thought

Good company, and good discourse are the very sinews of virtue. —Isaac Walton

Tell me what company thou keepst, and I'll tell thee what thou art. —Cervantes

Kindred tastes, motives, and aspirations are necessary to the formation of a happy and permanent companionship. —Mary Baker Eddy

No man can possibly improve in any company for which he has not respect enough to be under some degree of restraint. —Chesterfield

2712 Nameoki Rd.

STEEL BEAMS RISE against the sky, forming an intricate pattern, as a new warehouse of the Johns-Manville Products Corp. is erected along Bissell street in Venice. While workers smooth freshly-poured concrete, a truck stands by to pour new slabs of the warehouse floor. The new facilities will add shipping and storage capacity.

## Brochures To Aid Good Will Ambassadors On Mexico Tour

When the Coolidge Junior high school Latin American ensemble arrives in Mexico City Sunday, it will be prepared to advertise the Quad-Cities.

The students will have in their possession a quantity of brochures published by the Tri-Cities Chamber of Commerce and Associated Retailers and Civic Association.

Printed in both English and Spanish, the brochures give a history of the ensemble, the repertoire from which programs will be taken during performances in Mexico, a description of the Quad-City area, including its industries and points of interest in the local vicinity.

**History Of Group**

The Latin American music group was originated in 1958 by the director, Robert D. Todoroff, after he had traveled extensively in Mexico, studying a dance rhythms, the brochures relate.

The present group is the fourth successive one to be formed. Membership changes rapidly because the students advance into high school. They are drawn from the 120-member concert band of the school, and being selected for the ensemble is considered a high honor.

## Automation For Tax Collection Studied

A method of cutting Madison county expenses by use of electronic computers in preparing tax bills was proposed to the County Board of Supervisors Tuesday by Secretary of State Charles F. Carpenter, who is alerting police in this area.

Serial numbers of the stolen cards are being forwarded to all police departments in Illinois. Carpenter said. The cards had been printed and sealed in cartons of 2500 each for delivery to the Drivers' License Division in Springfield.

The theft apparently occurred during the night of July 13. An investigation has been in progress since the morning of July 14, but little progress has been made in tracing the stolen cards. The serial numbers are being sent to police departments in an effort to forestall fraudulent use of the cards, Carpenter said.

**Returns From Hospital**

Mrs. Mary Patridge, 2701 East 24th street, has returned from St. Mary's Hospital, Clayton, Mo., where she submitted surgery to the carotid artery.

The committee agreed to an offer by Sullivan that his firm conduct a preliminary survey of feasibility of the proposed system in this county.

"I have always been for mechanization," County Clerk Eulalia Hotz said, "as far as it would represent a saving to the county. We don't want to usurp the power of the township collector, though." State laws regarding tax billing will be considered in the McDonnell survey.

LEARN-TO-DANCE classes are underway at the YMCA under the direction of instructors Martha and Brian Bronsman (right foreground), with cha-cha, samba, mambo, fox trot, tango, being taught in Friday night sessions for teenagers. The class will continue for another six weeks.

## Police Alerted On State Chauffeur License Blanks

Theft of 17,500 chauffeur license cards from the printing plant of Eveready Manifest Corp. in Chicago was revealed Tuesday by Secretary of State Charles F. Carpenter, who is alerting police in this area.

## Deadline July 31 On Paying Withheld Taxes

Employers in this district were reminded today that Tuesday, July 31, is an important tax date. District Director of Internal Revenue Jay G. Philpott said this is the deadline for reporting and paying income and social security taxes withheld for the calendar quarter ended June 30, 1962.

Philpott said employers should use form 941 to report their tax liability for that period and mail it, along with depositary receipts and full payment of taxes due, to District Director of Internal Revenue, P. O. Box 1468, Springfield, Ill.

Employers who do not have a copy of Circular E, "Employers Tax Guide" may obtain it from any IRS office. It contains a full discussion of employment taxes together with tables, and percentage methods for computing such taxes. Taxpayers who made timely deposits in local authorized banks, or Federal Reserve Banks, of taxes due have an additional 10 days, or until Aug. 10, to file their returns. Depositary receipts must be submitted with the return.

## Home Accidents Are Numerous, Club Told

Members of the Madison Rotary Club heard an address on prevention of home accidents at their weekly luncheon meeting yesterday. James Lavelle, Mitchell, of the Monsanto Chemical Co., told the Rotarians that home accidents are by far more numerous than plant accidents and also have a greater bearing on plant efficiency.

The club is to have an insurance representative as guest speaker next week and is planning a "fireside meeting" outdoors later in the month.

MRS. LOIS WEEKS  
129 E. Chain of Rocks Road  
TR. 6-6454

### SHOWER HONORS RECENT BRIDE

Mrs. James Sullivan, who was Miss Kathy Williams, daughter of Mr. and Mrs. Arthur Williams, 3136 Wayne avenue, before her marriage June 27, was guest of honor at a bridal shower Tuesday evening at the home of Mrs. Velma Presley, 612 Barkley avenue.

Mrs. Presley served as hostess, assisted by Mrs. Savannah Johnson and Mrs. Flora Battrol. The living and dining rooms were decorated with white wedding bells, and a large umbrella was suspended over the gift table.

After the opening of the many gifts by the bride, assisted by Mrs. Joan Gravatt, refreshments of sandwiches, cake and punch were served to the prize winners. Miss Carol Presley, Mrs. Betty Warnecke and Mrs. Mary Estes and Mesdames Robert Bickers, Ralph Hanner, Walter Bamber, Leslie Nash, Patricia Nash, Alice Gravatt, George Warnecke, Gladys Freeman, Grace Warnecke, Carol Dominguez, Anna Williams, Martha Katzman, Marilyn White, Velma Presley, Lucille White, Hilda Sullivan and Lois Weeks and Misses Helen Bixler, Charlotte and Diane Jones and Sheila Nash.

### CRADLE SHOWER

Mrs. Lloyd Moore Jr. was honored with a cradle shower Monday evening at the home of Mrs. William Short, of Douglas place. Games were played, with prizes being awarded to all present.

Those present were Mercedes Edman, Elsa Page, Mrs. George Moman, Mrs. Felix Tucker, Mr. Oscar Poole, Mr. and Mrs. Bill Scaturro and daughters, Debbie and Patti, Mr. and Mrs. Lloyd Moore Jr. and grandson, Blake, and Mr. and Mrs. William Short and daughters, Sue and Sandy.

### MRS. BOLAN HOSTESS

Mrs. Edith Bolan was hostess to the Secret 2nd Birthday club at her home, 4901 Maryville road, Tuesday. Mrs. Juanita Klug was honored with a wedding anniversary gift.

Games were played, with each guest receiving a prize. Mrs. Bolan was assisted in serving lunch by a former member, Mrs. Inogene Warren, to eight members.

### FLIES TO KANSAS

Billy Wittkamp, nine-year-old son of Mr. and Mrs. William Wittkamp, 805 East Chain of Rocks road, left by plane from Lambert Field Monday. He is visiting his uncle and aunt, and Mrs. Ivan Hayden, at Wichita, Kan., and will be accompanied here by the Haydens, who will visit here.

### GUEST FROM OKLAHOMA

Mrs. Eunice Price and Mrs. Ruthanne Weeks motored to Springfield, Mo., Monday to accompany Mrs. Dorothy Bussan and son, Larry of Ponca City, Okla., here for a few days' visit.

### BURIAL OF SISTER

Mr. and Mrs. Frank Snodell were called to St. Louis by the death of Mrs. Snodell's sister, Mrs. Ina Thompson, who was buried Tuesday in St. Louis.

Miss Linda Harrison of St. Louis is the guest of Mr. and Mrs. Robert Weeks and family.

### Federal Excise Tax

#### Quarterly Returns Due

District Director of Internal Revenue Jay G. Philpott today reminded taxpayers who are required to file quarterly federal excise tax returns that July 31 is the deadline for filing returns and paying the tax due for the calendar quarter ended June 30.

Taxpayers who are liable for more than \$100 of the excise taxes listed on Form 720 for each month (except the third month of a quarter) are required to deposit their full payments of these taxes in local authorized banks or a Federal Reserve Bank before the last day of the month following the month in which the tax liability occurred.

Taxpayers making such timely deposits have an additional 10 days, or until Aug. 10, in which to file their Forms 720. He said validated Federal Depositary Receipts must be submitted with the returns filed.

### Complainant Mistaken

A report Monday night that men were dumping trash into a sewer in the 2600 block of 23rd street proved to be erroneous. Police investigated and found it to be a detail of men cleaning the sewer lines.

QUAD-CITY MARINE RESERVISTS Pfc. Terry J. Dutko (left), 1718 Market street, Madison, and Pfc. James S. Marshony (center), 1446 Sixth street, Madison, are in-

spected by Sgt. Kenneth L. Wood (right), 3128 Roderger avenue. The picture was taken during annual field training for members of the Marine Corps' Third Infantry Battalion, conducted at Camp Pendleton, Calif.

LARGE TRUCK TERMINAL nearing completion on 85th and 66th between Route 67a and Mitchell. The steel and

masonry structure will serve as a steel dispatch terminal for Dial Motor Transit, Inc.

### jailed For Non-Payment Of Fines On 3 Charges

Lee V. Vaughn, 20, of 509 Second street, West Madison, was confined to the county jail yesterday for non-payment of fines totaling \$400 plus costs on three charges.

Vaughn was arrested at his home at 6:30 a.m. Tuesday for non-payment of fines from previous convictions. He also was charged with petty larceny in connection with theft of brass earlier this month, and with contributing to the delinquency of a minor in the theft.

He pleaded innocent to each of the charges, but was found

guilty by Venice Police Magistrate Wesley Edwards. He was fined \$200 plus costs on the non-payment charge and \$100 plus costs on the others.

Also charged in the brass theft were Fred E. Foster, 18, of Eagle Park and Robert C. Rogers, 17, of McKinley Smith Jr., 16, both of 810 Washington street, West Madison. All three pleaded guilty to charges of petty theft before Edwards yesterday. Foster was sentenced to six days in the county jail, Rogers to five days in the county jail and Smith to one week's work on city or Venice park district property.

### MRS. DUFFEY MARKS 90TH BIRTHDAY

Mrs. Rose Duffey, 525 Salveter street, was honored this week at a dinner at her home in honor of her 90th birthday. The birthday was Tuesday.

Mrs. Duffey has resided at her present address for the past sixty years.

She has one daughter, Mrs. James Willoughby of Festus, Mo., two grandchildren, seven great-grandchildren and three great-great-grandchildren. Her son-in-law and daughter recently celebrated their 50th wedding anniversary in Clarksville, Mo. Those attending a dinner Sunday were Lorraine and Donna Gibson, Mr. and Mrs. Ernie Brown, Mr. and Mrs. John Burns, Mr. and Mrs. Wayland Gibson and grandson, Mr. and Mrs. Russell Selhime, Mr. and Mrs. Arthur Spears, Mr. and Mrs. William Neimeyer, Mr. and Mrs. Rube Payne, Mesdames Ethel Huffman, Nilla Nolen, Grace Burns, Eleanore Hadley, Della Rogers, Alpha Garrison, Lillie Ludden, Carrie Thiele, Nola Greider, Claretha Byrd, Mary Simmons, Melvin Hildebrand and daughter Mary Beth, Irene Woodard and son, Larry, Carl Giffin, Emmett Burns of Livingston, Ill., Mrs. Carol Bayer and children, Gregory, Michael and Lisa, and Mr. and Mrs. Robert Willoughby and daughter, Mary, and Mr. and Mrs. James Willoughby of Peasnow, Mo., and Mrs. G. S. Hill and Mrs. Cora Fuller of St. Louis, Mr. and Mrs. Nick Santagato and children, Linda, Denita and Nickie of Cahokia, Ill., Mr. and Mrs. Ray Lewis of Berkeley, Mo., and Mrs. Edwin Gage and daughter, Susan, of Wilsonville, Ill., Mrs. J. F. Gibson and daughters, Ruth and Karen of Gillespie, Ill., and Mr. and Mrs. Charles Soles of Mt. Olive.

Many gifts were presented to Mrs. Duffey by the guests.

ONLY \$99 OVER COST FOR NEW DODGE. FARRINGTON MOTORS, 1011 MADISON.

### Accident On Monroe

An accident occurred at noon Tuesday in the 2200 block of Monroe street. Evan Alexander, 65, Edwardsville, was pulling out of a driveway on the east side of the street and collide with a northbound auto driven by Everett Dennis, 39, of 2807 Dogwood drive.

### License Charge

Shirley Rippe, 2812 Empire street was given an arrest ticket Monday for driving without a license. She was northbound on Rock road and passing another auto at Division street at 2:30 p.m. when another car, driven by Earl S. Snyder, Edwardsville, attempted to turn left. The vehicles sideswiped.
